

Guide to Suzuki Violin Book 1 Teaching Points

Who is This Guide for?

It is intended primarily for parents of young children studying violin with a qualified Suzuki teacher. Parents can browse through previously-learned repertoire to remind themselves of the important points which can be practiced and consolidated through review. Or browse through upcoming repertoire to see what sorts of challenges lie ahead.

Non-Suzuki teachers interested in using the Suzuki repertoire as an adjunct to their traditional teaching might also find this guide useful. It might help them to appreciate the way in which the repertoire, rather than studies and exercises, introduces key musical and technical concepts. And Suzuki teachers might use this guide as a way of exploring other teachers' approaches to similar challenges and technical points in the repertoire.

Please note: this guide does not cover the Pre-Twinkle phase.

But This Isn't Exactly How We've Been Doing Things...

There is no one correct way to teach Suzuki Book 1. This guide represents the collective experience and opinions of several teachers in dealing with "average" young Suzuki students. No student is ever average! The timing of the introduction of skills is a personal matter for each teacher to work out in relation to each particular student. Even Dr. Suzuki was always learning and changing the way he taught to suit particular students, and as accumulated experience suggested something new might work better. Do not panic if your child is working on Allegro and hasn't been taught "independent fingering" yet. This does not necessarily mean there is anything wrong with the teaching he is receiving. There are millions of different ways of implementing the Suzuki Method.

This is Not a Cookbook!

It is impossible to write a "how-to" guide to the Suzuki Method which will work in every, or even most cases. The Suzuki Method is made up of two main components:

- The Philosophical Foundation... a philosophy of life and education, a belief in every child's potential. (See [An Introduction to the Suzuki Method](#) and read Suzuki's "Nurtured By Love" for more)
- The Pedagogical Framework... a way of putting the philosophy into the practice of teaching the violin. This framework can be further subdivided into the basics and the particulars.
 - The Basic Suzuki Teaching Style: an environment of love and support which involves the parent as well as the student and teacher, an emphasis on listening and ear training, the use of positive rather than negative reinforcement, subdivision of tasks into small, achievable steps and so on...

Guide To Suzuki Violin 2 Teaching Points

Daniel F McAuley

Guide To Suzuki Violin 2 Teaching Points:

The Suzuki Violinist (Revised) William Starr, 1976 A comprehensive guide to the Suzuki violin literature containing many illustrations Widely used internationally by both teachers and parents this newly revised edition contains musical examples which have been inserted for all of the suggested exercises for ease of reference In addition an entirely new chapter has been added called Practice Can Be Fun which includes material from speeches the author has given at institutes to children parents and teachers There are stories on practicing which can be read to children *Guide To Teaching Strings* Norman Lamb, Susan J. Lamb Cook, 2002 Publisher Description
