

How to Be

PHOTOGENIC

Smile with your eyes

Smile without showing your gums

Find your best angle

The classic model's pose:
Turn your body 3/4
toward the camera

Common Mishaps

Avoid saying "cheese," "kimschi," etc.; doing this can produce a grin. Think happy thoughts instead.

Sucking in your stomach may cause your ribs to poke through your shirt.

Don't clench your teeth while smiling. Keeping your mouth slightly open can create a much more natural facial expression.

Raise your eyebrows slightly

Look above the camera

Keep your tongue behind your teeth, slightly touching the roof of your mouth.

Hide the double chin

Bring your forehead forward and slightly down. The idea is to stretch your neck skin so that you have a well-defined jaw line.

Hide flabby arms

Hold your arms a couple inches away from your torso.

Keep your posture back and shoulders straight, but relaxed

...and feel like a million bucks while doing this.
