Goldthwaite, 2017-06-19 Inspired by the need for interpretations and critiques of the varied messages surrounding what and how we eat *Food Feminisms Rhetorics* collects eighteen essays that demonstrate the importance of food and food related practices as sites of scholarly study particularly from feminist rhetorical perspectives Contributors analyze messages about food and bodies from what a person watches and reads to where that person shops taken from sources mundane and literary personal and cultural This collection begins with analyses of the historical cultural and political implications of cookbooks and recipes explores definitions of feminist food writing and ends with a focus on bodies and cultures both self representations and representations of others for particular rhetorical purposes The genres objects and practices contributors study are varied from cookbooks to genre fiction from blogs to food systems from product packaging to paintings but the overall message is the same food and its associated practices are worthy of scholarly attention *American Book Publishing Record*, 2000 A Lady's Guide to Gossip and Murder Dianne Freeman, 2020-06-30 The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery Though American by birth Frances Wynn the now widowed Countess of Harleigh has adapted admirably to the quirks and traditions of the British aristocracy On August twelfth otherwise known as the Glorious Twelfth most members of the upper class retire to their country estates for grouse shooting season Frances has little interest in hunting for birds or a second husband and is expecting to spend a quiet few months in London with her almost engaged sister Lily until the throng returns Instead she's immersed in a shocking mystery when a friend Mary Archer is found murdered Frances had hoped Mary might make a suitable bride for her cousin Charles

but their courtship recently fizzled out Unfortunately this puts Charles in the spotlight along with dozens of others It seems Mary had countless notes hidden in her home detailing the private indiscretions of society s elite Frances can hardly believe that the genteel and genial Mary was a blackmailer yet why else would she horde such juicy tidbits Aided by her gallant friend and neighbor George Hazelton Frances begins assisting the police in this highly sensitive case learning more about her peers than she ever wished to know Too many suspects may be worse than none at all but even more worrying is that the number of victims is increasing too And unless Frances takes care she ll soon find herself among them Engrossing Freeman takes a witty look at Victorian polite society Historical mystery fans will be delighted Publishers Weekly
