In the Light of Day Steve Lampi, 2016-05-06

We are longing to find something that will truly satisfy our hearts This longing leads us into many situations and

circumstances In the end anything we give our hearts to within this world will find its end There is an eternal light that reveals our need and helps us understand those longings within us Within this light we find what will never fade away always satisfying the human soul What we desire most is love but there is only one lasting love for humanity When the sun is setting and the dark creeps in what's revealed is only a shadow of who we really are We are not fully known by others within this fleeting light and many people find themselves living in the sunsets We hope the oncoming night and passing light will reveal a bit of our beauty but hide what is perceived unacceptable or in many cases too real Our spots our imperfections have driven our entirety into hiding It's a humanity problem We hide We've always hidden We've found solace in the darkness but our worth is not lost and our value has not faded away We are fully known even in the darkest of nights The life we live now is vulnerable to darkness but there is no need to hide for acceptance We all have our spots we all have hurt but what remains hidden from humanity will not find shelter from the light When someone is close enough to see the struggle within and provides a way out it's our opportunity to take hold of what we need and begin to trust

The Light of a Cuban Son Lorenzo Chavez, 2022-04-26 In this semi autobiographical novel set in mid 20th century Cuba Lorenzo Chavez reveals the moving story of a boy determined to stay true to who he is and find happiness against all odds Told in a series of first person vignettes Martin's story covers a wide swath of the Cuban landscape and people taking us from the lush greens and fertile soils of the countryside to the dark underbelly of a Havana as full of depravity as it is neon lights After suffering a series of heartbreaking abuses Martin struggles to find his way and claim his identity as a young gay man in an impoverished neighborhood When the Revolution slowly begins to claim everything Martin holds dear he takes a desperate leap of faith one that could cost him his life Martin's coming of age story is one of courage and the rebirth of a brave young man who refuses to hide his light

Into the Light Susan P. Carswell, 2012-10 This is the author's life story told in an uncommonly graphic style Severely abused as a child and continuing to be victimized as an adult Susan lived a confused double existence as a respected attorney and administrative law judge at Two World Trade Center in Manhattan and after hours as a partner with her ex husband in a drugged out violent lifestyle Her actions were a desperate attempt to block out memories that were too painful to remember let alone cope with in any effective way However Susan refused to give up and reached for what she never had and what we all need love At the mature age of fifty two Susan made Jesus her Savior and Lord and was thus born again As her relationship with the Lord matured and became more intimate a series of miracles began taking place inside and on the outside of the author For example her inside scars of abuse and powerful drug addiction were lifted from her In addition the Lord straightened Susan's curved spine from forty five degrees to approximately twenty degrees It is the author's desire to encourage all persons that it is possible to overcome even the worst of situations when one steps into the light and the love of our mighty God

Living in the Light of God's Love Mari Keisling, 2014-07-31 Abiding may sound passive and inactive but it is the active process of staying staying close to Jesus focusing on Him walking with Him and living in His light

If walking as He did is how our claim to live in Him is realized then we need to know what He did that we should be doing as well Jesus experienced fellowship with His disciples obeyed His heavenly Father was humble to the point of death grew in wisdom and the knowledge of Scripture and prayed always God calls each of us to different tasks places and purposes but one thing is consistent for all of us we cant do any of it or go anywhere without Him Jesus had His unique purpose in this world as do we and so just like Him we need to remain in the Father His life was a living sacrifice and it is our spiritual act of worship to live like Him As we step into Gods light it will shine truth on our livestruth that is sometimes hard to recognize hard to acknowledge and hard to live out But as we learn to live in His light He gives us clarity understanding and transforms us from the inside out We learn to walk in His light shining it wherever we go Why God loves the whole world and He loves you Everything He calls us to do according to His purpose is to show His love to the world and bring glory to Himself As you work through the disciplines of fellowship obedience humility meditation prayer and worship you will learn how to draw close to the Father follow the example of Jesus and shine His light bright for all to see **A Journey Toward The Light** Andrew Miros?aw Bukraba,2014-05 These stories are dedicated to You Dear Reader You who are an individualized projection of the Oneness You who are predestined by making before incarnating on Earth the conscious choice to have an opportunity to read them If this statement is at present for You too enigmatic I guarantee that later its meaning will become clearly understandable I d like also to add here that these stories are also maybe even especially dedicated to those who will not have a chance to read them because they live in a suppression of freedom and often are not even aware that they are having Free will projections of the Oneness Met on my Path Light Bearers have assured me that those last mentioned will not be ignored but accessed and spiritually elevated in a more subtle way then rest of humanity I wish You all to attune to Sat Chit Ananda Truth of Existence Consciousness and Bliss and realize for now and ever that Tat Twam Asi Thou Art That Living in the Light (Volume 2 of 2) (EasyRead Super Large 24pt Edition) , *Burning day-light* Jack London,1910 **The Light** , **Tricks of the Light** Vicki Hearne,2008-11-15 From The Horse That Trotting The horse that trotting with open heart Against the wind achieves bend and flow Will live forever So far so good But they never do until too late Bend properly and time spreads from The momentary hesitations Of their spines circles their tossing necks Falls from their teeth like rejected oats Litters the ground like penitence This is where we come in where the drop Of time congeals the air and someone Speaks to the discouraged grass Tricks of the Light explores the often fraught relationships between domestic animals and humans through mythological figurations vibrant thought and late modern lyrics that seem to test their own boundaries Vicki Hearne 1946 2001 best known and celebrated today as a writer of strikingly original poetry and prose was a capable dog and horse trainer and sometimes controversial animal advocate This definitive collection of Hearne s poetry spans the entirety of her illustrious career from her first book Nervous Horses 1980 to never before published poems composed on her deathbed But no matter the source each of her meditative metaphysical lyrics possesses that rare combination of philosophical speculation

practical knowledge of animals and an unusually elegant style unlike that of any other poet writing today Before her untimely death Hearne entrusted the manuscript to distinguished poet scholar and long time friend John Hollander whose introduction provides both critical and personal insight into the poet's magnum opus *Tricks of the Light* acute vibrant and deeply informed is a sensuous reckoning of the connection between humans and the natural world Praise for *The Parts of Light* Hearne strives to capture exactly what she knows she can't the intense immediacy of animal consciousness a consciousness free of the moral vagaries and intellectual preoccupations that pockmark human experience Her style smooth in some places choppy in others reflects both the wholeness of animal presence and the jarring fragmentary nature of human reason and reflection Hearne's poems demand participation refuse passive enjoyment she dares the reader to stay in the saddle
