

The background of the book cover is a dark, atmospheric photograph of a city street at night. The street is wet and reflects the ambient light. In the distance, a bright light source, possibly a fire or a large explosion, illuminates the scene. Two figures, an adult and a child, are walking away from the viewer towards the light. The overall mood is mysterious and suspenseful.

**Before 30 (English Version)** Philip Mantofa, Sianne Ribkah, 2023-02-24 God has always used youth He has always called on the young to be witnesses of His glory This generation is no exception Before 30 is a riveting account of how the Lord Jesus touched the life of a young man Philip Mantofa delivered him from the depths of violence and depression and used him mightily as a chosen vessel of revival in Indonesia and Asia While Pastor Philip was still in his twenties a divine firebrand sparked city wide revivals which were noted for creating immediate and enduring impact particularly among young people More than 200 000 people experienced salvation while scores of youths were equipped and commissioned to pioneer thriving local churches Such a transforming anointing and influence can only arise from a life deeply rooted in Scripture and an intimate fellowship with the Holy Spirit Before 30 is evidence that God is able to raise young people to become standard bearers even for the older generation

**Last Man Standing** Dick Camp, 2010-11-10 One of the bloodiest battles in Marine Corps history Operation Stalemate at Peleliu was called was overshadowed by the Normandy landings It was also in time judged by most historians to have been unnecessary though it had been conceived to protect MacArthur's flank in the Philippines the U S fleet's carrier raids had eliminated Japanese airpower rendering Peleliu irrelevant Nevertheless the horrifying number of casualties sustained there 71% in one battalion foreshadowed for the rest of the war rather than fight to the death on the beach the Japanese would now defend in depth and bleed the Americans white Drawing extensively on personal interviews the Marine Corps History Division's vast oral history and photographic collection and many never before published sources this book gives us a new and harrowing vision of what really happened at Peleliu and what it meant Working closely with two of the 1st Regiment's battalion commanders Ray Davis and Russ Honsowetz Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe they describe the legendary Chesty Puller leading his decimated regiment against enemy fortifications they tell of Davis wounded but refusing evacuation while his men were under fire and of a division commander who rejects Army reinforcements Most of all their richly detailed deeply moving story is one of desperate combat in the face of almost certain failure of valor among comrades joined against impossible odds

influential spells as Home Secretary and Foreign Secretary This is the story of how he got there His memoirs offer a unique insight into the complex sometimes self serving but always fascinating world of British politics and reveals the toll that high office takes but more importantly the enormous satisfaction and extraordinary privilege of serving both your constituents and your country Straw s has been a very public life but he reveals the private face too and offers readers a vivid and authoritative insight into the Blair Brown era and indeed the last forty years of British politics Walter Hill Wayne Byrne,2022-10-17 This is a comprehensive journey through the long career of auteur Hollywood filmmaker Walter Hill director of The Driver The Warriors Southern Comfort 48 Hrs Streets of Fire and many more The book covers every motion picture that Hill directed with historical detail and critical commentary on each and discusses Hill s overall cultural relevance and industrial impact It includes candid conversations with Hill producer Larry Gordon actors Nicholas Guest William Sadler and Michael Pare cinematographers Lloyd Ahern and Matthew Leonetti composers Van Dyke Parks and David Mansfield screenwriter Larry Gross and others who worked with Hill throughout his prolific career *The Films of Walter Hill* Brian Brems,2022-09-09 In The Films of Walter Hill Another Time Another Place Brian Brems explores how as action emerged as a full fledged genre of cinema Walter Hill established his position in the genre first as a screenwriter and then as a director Hill Brems argues helped merge the thematic and stylistic concerns of the Western and film noir into a new action cinema establishing a reputation for mythic highly stylized storytelling driven by a relentless pace Through analyses of Hill s filmography this book demonstrates his consistent use of the architecture of classical storytelling to help codify the language of the action movie These observations are supported by extensive conversations with Walter Hill and several of his on screen collaborators including Lance Henriksen Sigourney Weaver David Patrick Kelly James Renmar and William Sadler Ultimately Brems positions Hill as a key American film artist whose work has inspired countless imitations First Man Out-Last Man Standing Karen Simmons,2005-03 Banners and flags have been an intricate part of wars victories and celebrations through out the ages Find out how they are used to express God s Voice in worship and intercession That's Not Funny Matt Sienkiewicz,Nick Marx,2024-03-26 A 2022 Best Comedy Book Vulture A rousing call for liberals and progressives to pay attention to the emergence of right wing comedy and the political power of humor Why do conservatives hate comedy Why is there no right wing Jon Stewart These sorts of questions launch a million tweets a thousand op eds and more than a few scholarly analyses That s Not Funny argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias Matt Sienkiewicz and Nick Marx take readers particularly self described liberals on a tour of contemporary conservative comedy and the right wing comedy complex In That s Not Funny complex takes on an important double meaning On the one hand liberals have developed a social psychological complex it feels difficult even dangerous to acknowledge that their political opposition can produce comedy At the same time the right has been slowly building up a comedy industrial complex utilizing the humorous irony laden media strategies of liberals such as Jon Stewart

Samantha Bee and John Oliver to garner audiences and supporters Right wing comedy has been hiding in plain sight finding its way into mainstream conservative media through figures ranging from Fox News s Greg Gutfeld to libertarian podcasters like Joe Rogan That s Not Funny taps interviews with conservative comedians and observations of them in action to guide readers through media history text and technique You will find many of these comedians utterly appalling some surprisingly funny and others just plain weird They are all however culturally and politically relevant the American right is attempting to seize spaces of comedy and irony previously held firmly by the left You might not like this brand of humor but you can t ignore it
