Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism, Introducing Christianity to Mormons is the guidebook you need to witness to them. Inside you'll find real-life conversations that give you helpful ideas for what to say in your discussions, contrast points between Mormonism and Christianity that illuminate God's truth, biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church. Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

Resources in Education, 2000-04 **The Mormon Quest for Glory** Melvyn Hammarberg, 2013-06-03 The Church of Jesus Christ of Latter-day Saints has 6 million members in the United States today and 13 million worldwide. Yet while there has been extensive study of Mormon history, comparatively little scholarly attention has been paid to contemporary Mormons. The best sociological study of Mormon life, Thomas O. Dea's The Mormons is now over fifty years old. What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question by offering an ethnography of contemporary Mormons. In The Mormon Quest for Glory, Hammarberg examines Mormon history, rituals, social organization, family connections, gender roles, artistic traditions, use of media, and missionary work. He writes as a sympathetic outsider who has studied Mormon life for decades and strives to explain the religious world of the Latter-day Saints through the lens of their own spiritual understanding. Drawing on a survey, participant observation, interviews, focus groups, attendance at religious gatherings, diaries, church periodicals, lesson manuals, and other church literature, Hammarberg aims to present a comprehensive picture of the religious world of the Latter-day Saints.
