,1998 *Advancing Equality* Jody Heymann,Aleta Sprague,Amy Raub,2020-01-14 In a world where basic human rights are under attack and discrimination is widespread Advancing Equality reminds us of the critical role of constitutions in creating and protecting equal rights Combining a comparative analysis of equal rights in the constitutions of all 193 United Nations member countries with inspiring stories of activism and powerful court cases from around the globe the book traces the trends in constitution drafting over the past half century and examines how stronger protections against discrimination have transformed lives Looking at equal rights across gender race and ethnicity religion sexual orientation and gender identity disability social class and migration status the authors uncover which groups are increasingly guaranteed equal rights in constitutions whether or not these rights on paper have been translated into practice and which nations lag behind Serving

as a comprehensive call to action for anyone who cares about their country's future Advancing Equality challenges us to remember how far we all still must go for equal rights for all **AAPS Newsletter** ,1992 **Harold-Barry: A Mission Divided** ,2023-04-05 ELEVEN JESUITS SET OUT FOR THE INTERIOR OF SOUTHERN AFRICA BY OX WAGON IN APRIL 1879 ON A MISSION TO PREACH THE CHRISTIAN GOSPEL TO THE PEOPLE BEYOND THE LIMPOPO RIVER WITHIN A YEAR AND A HALF THREE OF THEM WERE DEAD They shared the same ignorance of Africa as their European contemporaries concerning disease geography culture religion and the political rivalries of the people among whom they came They also shared a narrow frame of reference towards the continent and the failure of imagination that went with it Further as people of their time they saw and were seen by other denominations as rivals and far from co-operating the churches indulged in an unseemly competition And yet these men were in their own way heroic and faced the difficulties eagerly even joyfully Their failures and disappointments far outweighed the little progress they appear to have made but they laid the foundations for what was to follow after 1890 when the colony of Southern Rhodesia was established This event inaugurated a ninety year period when relations between church and state waxed and waned The missionaries welcomed the order even if it could not be called peace and the infrastructure the colonisers introduced The speed of travel for instance went from about 15 km a day by ox wagon to 30 km an hour by train But the Church and the Jesuits were for long the drivers of what we mean by Church never managed to decide on a coherent policy vis a vis the white government until it was too late They were divided the majority of Jesuits worked with blacks but there was a sizeable number who worked exclusively with whites So while we can document the enormous and fruitful work that was done over the decades after 1890 we have to acknowledge the failure to give a united witness in confronting the nakedly racist policies of the state If we had been able to do this in the 1920s and 30s we might have contributed to the evolution of a more harmonious society and avoided the terrible bloodshed of subsequent years *Report of the Director of National Archives for the Year ...* Zimbabwe.
