Shenk, 2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debut to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla

The Incarnate Christ and His Critics Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God's eternal throne The Incarnate

Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses, Mormons, progressive Christians, Muslims, Unitarians, and others. Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring, wide-ranging and positive case for the deity of Christ. **Biblical Missions** Thomas Nelson, 2025-02-25

"Sermon on the Mount" Restoration King Tetteh, 2024-08-28. The inspirational word of God was received by Pastor King and faithfully delivered to the Faith House Church family. The scripture guiding this divine message is 2 Corinthians 6:17-18: "Wherefore come out from among them and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you. And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. God is calling His children to stand apart to resist the ways of the world, and even the trends of the modern-day church. Instead, we are urged to follow the written and living Word of God. Within the pages of this book, Pastor King shares the messages he received from the Lord with his devoted congregation. These messages were delivered during Sunday sermons throughout 2022, a year he declared The Year of Restoration. I invite you to prayerfully read through this book and allow it to transform you into a new life in Jesus Christ. Through His grace, all things shall be restored by Adonai.

The Original Ending of Mark Nicholas P. Lunn, 2014-10-01. Although traditionally accepted by the church down through the centuries, the longer ending of Mark's Gospel (16:9-20) has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days, well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices, and the continuation of various themes prominent within the body of the Gospel. Furthermore, the

writings of Luke show that the Gospel of Mark known to this author contained the ending Rather than being a later addition the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission probably in Egypt during the second century
