The Musical Monitor ,1915 *Practicing Protestants* Laurie F. Maffly-Kipp,Leigh E. Schmidt,Mark Valeri,2006-08-28 This collection of essays explores the significance of practice in understanding American Protestant life The authors are historians of American religion practical theologians and pastors and were the twelve principal researchers in a three year collaborative project sponsored by the Lilly Endowment Profiling practices that range from Puritan devotional writing to twentieth century prayer from missionary tactics to African American ritual performance these essays provide a unique historical perspective on how Protestants have lived their faith within and outside of the church and how practice has formed their identities and beliefs Each chapter focuses on a different practice within a particular social and cultural context The essays explore transformations in American religious culture from Puritan to Evangelical and Enlightenment sensibilities in New England issues of mission nationalism and American empire in the nineteenth and twentieth centuries devotional practices in the flux of modern intellectual predicaments and the claims of late twentieth century liberal Protestant pluralism Breaking new ground in ritual studies and cultural history Practicing

Protestants offers a distinctive history of American Protestant practice Getting to Know God for Strangers Deacon Gregory Harris,2021-10-12 I was led by the spirit to write this book On my journey in life I have had my ups and downs I remember when I was a young man I was carefree did not have a worry in the world I had my strength and that was all I thought I need I was strong like a flower when the sun heats the morning dew I had the job and all that came with it I was doing good as a young man I had been raised in the church as a child and now I was of age and independent had my own place and no one could tell me what to do anymore I even had the nerve to tell God I was too young to come and serve Him I had everything a young man could ask for in the palms of my hand I would go to the parties stay out late all the things that young people do Little did I know what was lying ahead I started getting hit with the storms of life I was like a sheep caught in the dark in the forest It took me years to get back on the track my mom started me on when I was a little child I have been back on the trail for over thirty years I know what it is to be in darkness and believe everything is all right I kept stumbling along in this life in the dark I really thought I was seeing things clearly I have a high tolerance for pain so I stayed in darkness longer than I had anticipated Life pain was taking a toll on my life Those things I thought were fun took more pain to have the fun This life I loved did not love me anymore One day I saw some people getting out of their car and going up the steps to the church I said Lord if you would change my life to be like them church folks I will serve you the rest of my life You know it is said that the deeper that you were in darkness the more loyal you would be to God Now I m in the light I see with insight not as much with eyesight over the years I come to see some things that require our immediate attention This can t wait We have been brought to the light so we can show others how to get to the light and there is a lot of work to do as a child of God It is our responsibility to carry out God s will We can t push it on the next person We have to step up and do it This book can help people to learn to treat people like they would like to be treated and it gets you to know about the Lord You can practice this in your daily life I m a new creature Old things I don t do any more I thought that my old behaviors would be with me all my life until I was shown the light Now I must share the light and show others how to get here **One Step From Insanity** Lady Charmaine Day,2008-02-06 People often say I almost lost my mind or I m about to lose my mind You make me feel crazy or insane Yet few people have actually lost it went crazy What does an insane person think about What do you contemplate as your mind recovers from being insane what thoughts flow through it These are the actual words that I wrote while insane Welcome to the inside of my brain
