**Study Guide** Eugene H. Peterson, Peter Santucci, 2006-07-25 The second part of Peterson's momentous five volume work on spiritual theology Eat This Book challenges us to read the Scriptures on their own terms as God's revelation and to live them as we read them With warmth and wisdom Peterson offers greatly needed down to earth counsel on spiritual reading through a fascinating conversation on the nature of language the ancient practice of lectio divina and the role of Scripture translations What better way to continue that conversation than through an intensive study with other readers This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of Eat This Book Peterson's discussion is here broken up into nine sessions each of which contains a summary quotations to consider questions for interaction and a suggested activity ending with a suggestion for prayer **SCM**

**Studyguide: Philosophy and the Christian Faith** Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing

to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship
