DownBeat--the Great Jazz Interviews Frank Alkyer, 2009 Collects interviews from DownBeat s seventy five year history including conversations with Jelly Roll Morton Louis Armstrong Ornette Coleman Cecil Taylor Thelonious Monk Rahsaan Roland Kirk and Joe Zawinul      **"All I wanna do is go the distance"** Philip L. Simpson, Kathy Merlock Jackson, 2025-08-22 If any film has gone the distance it s Rocky 1976 which spawned one of the longest running franchises in film history Released in America s bicentennial year Rocky based on an original screenplay by then unknown writer and actor Sylvester Stallone surprised everyone Shot on a shoestring budget by director John Avildsen the film became a blockbuster and Academy Award winning best picture In addition to spawning a lucrative franchise and spin offs Rocky propelled the careers of Stallone and Talia Shire raised interest in boxing and sports movies and placed Philadelphia and its architecture in the popular consciousness Rocky has always been a contested text raising questions about race gender and class in America as well as debate about genre storytelling and film art questions which are addressed at length in this rich collection of essays As the contributing scholars show Rocky and its sequels retain their power to rouse audiences well into the twenty first century and continue to inspire audiences athletes and filmmakers      The Encyclopedia of Film Composers Thomas S. Hischak, 2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood s Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over the decades other creators of screen music offered additional memorable scores and some composers such as Henry Mancini Randy Newman and John Williams have become

household names The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer s musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores
