Jugaad Time Amit S. Rai,2019-01-31 In India the practice of jugaad finding workarounds or hacks to solve problems emerged out of subaltern strategies of negotiating poverty discrimination and violence but is now celebrated in management literature as a disruptive innovation In Jugaad Time Amit S Rai explores how jugaad operates within contemporary Indian digital media cultures through the use of the mobile phone Rai shows that despite being co opted by capitalism to extract free creative labor from the workforce jugaad is simultaneously a practice of everyday resistance as workers and communities employ hacks to oppose corporate caste and gender power Locating the tensions surrounding jugaad as both premodern and postdigital innovative and oppressive Rai maps how jugaad can be used to undermine neoliberal capitalist media ecologies and nationalist politics

Zero Distance Danah Zohar,2021-12-10 This open access book offers a new management meta theory to replace Taylorism It presents a new paradigm in management thinking and a new practical organizational model for implementing it in our personal and working lives in our companies in our communities and nations and in a sustainable global order It will offer an understanding of why and how thinking as usual is failing both business and political leaders in these new times and it will advocate new thinking and new management practices that are so radically new that they turn everything we have taken for granted inside out and upside down This new management model is called Quantum Management Theory because it is rooted in the new paradigm bequeathed to us by quantum physics and its younger sibling complexity science
