Lyle M.D. takes each area of forensics from fingerprint analysis to crime scene reconstruction and discusses its development, how the science works, how it helps in crime solving, and how you as a writer might use this technique in crafting your plot. This comprehensive reference guide includes real-life case files and the role forensic evidence played in solving the crimes. A breakdown of the forensics system from its history and organization to standard evidence classification and collection methods. Detailed information on what a dead body can reveal, including the cause, mechanism, and manner of death. Death of the Drunkard Anne Louise Bannon, 2023-11-28 One inoffensive drunkard. So many reasons to kill him. A bold shooting ends the life of Mr. Hewitt, the buggy manufacturer, on a cold night in December 1872. Physician and winemaker Maddie Wilcox is particularly puzzled since it was clear that Mr. Hewitt was soon to die of his own dissipation. Nonetheless, she is drawn into searching out his killer by the grieving widow. Maddie soon finds out that there were several people who might have been offended by Mr. Hewitt, including those hoping to bring the Southern Pacific railroad to Los Angeles. As Maddie battles the usual winter colds and her own homesickness, the local men begin vying for her affections. Soon Maddie realizes that she is searching for a killer determined to win the prize no matter what the cost.

Death of the Chinese Field Hands Anne Louise Bannon, 2020-09-25 A night of chaos leads to more murders. Physician and winemaker Maddie Wilcox has always despaired of how violent Los Angeles is. But one night in October 1871, the pueblo explodes in a riot, and eighteen Chinese men are lynched. Shaken to her core and frustrated that she couldn't have done more to stop the violence, Maddie throws herself into her work, grateful that her three Chinese field hands were safe on her rancho that most terrible of nights. Until one of them is found strangled in her vineyard. At first, the murder seems like a random act against the scapegoated Chinese. Then a second of the three Chinese hands is murdered in the same way. Is the killer acting out against the Chinese in general, or only those working on Maddie's rancho? And if the latter, what does the killer expect to

get A distinctive boot print and a bit of jewelry are all Maddie and her friends have to go on as Maddie continues to battle the usual panoply of injuries and rampant diseases that plague the pueblo Surrounded by prejudice daunted by her own limitations Maddie s hold on her passions starts slipping Can she keep her temper in check long enough to find the killer

Death of the City Marshal Anne Louise Bannon,2019-05-10 It s October 1870 and once again violence has erupted on the streets of Los Angeles This time City Marshal gets into a gunfight with his deputy Joseph Dye and is severely wounded Fortunately winemaker and physician Maddie Wilcox is on the scene to take care of the marshal But the next day she finds that the marshal has been smothered in his bed The morning after the marshal s death red paint is splashed all over the front porch of his home and a list of his sins posted on the front The list of people with grievances against the fiery tempered marshal is long But then another prominent citizen has his sins posted and house front splattered Maddie takes an interest in the vandalism in the hopes of finding Marshal Warren s killer But she soon finds out that she is up against a killer driven by a profound longing and who is prepared to do the worst to keep that most basic of human desires a home From This Day Forward Anne Louise Bannon,2023-11-10 Come share the joy It s The Big Day Sid Hackbirn and Lisa Wycherly are getting married But in the days and weeks before the wedding the pair discover that there is something very strange going on with their work as ultra top secret counter espionage agents Courier drops are coming in without the usual processing The bad guys tailing them are unusually persistent Then Sid and Lisa take off for their honeymoon only to find that the nice relaxing vacation in England that they had planned will be anything but They re being trained for their new job and will be touring the European continent instead Skiing in Gstaad Switzerland touring Venice Italy doesn t sound so bad except that the two get sucked into a dangerous plot with bad guys trying to kill them Still trying to figure out what the potential killers are planning might actually be easier than trying to figure out how to be married *Every Breath You Take (Every Breath You Take #1)* Bianca Sloane,2015-02-14 A few of the things Natalie Scott s stalker knows about her She likes foreign films cinnamon gum and strawberry yogurt She goes jogging along Chicago s lakefront every Monday Wednesday and Friday She smells like sunflowers in the summer and roses in the winter What Natalie Scott doesn t know Every minute of every day a madman is watching her Every minute of every day he s waiting for the perfect moment to strike Every minute of every day she s inching closer to catastrophe And what Natalie Scott doesn t know just might kill her *Fugue in a Minor Key* Anne Louise Bannon,2019-04-19 After a hard afternoon waiting in the rain for a contact that doesn t show all spy and freelance writer Lisa Wycherly wants to do is go home and read a book by the fireplace But family matters intervene Lisa s nephew Darby is having trouble at school Lisa s boss and housemate Sid Hackbirn agrees to let Darby come stay with him and Lisa not realizing that his own life is about to be turned upside down An old friend comes by the house with a boy about Darby s age who looks remarkably like Sid Rachel never told Sid that she was pregnant but now it s time for Nick to know where he came from Lisa suddenly finds her hands full trying to get Sid to acknowledge Nick figure out what Darby s problem is and working

undercover to set up a sting on a group of defense plant employees who are selling secrets It s a case that gets messier by the minute with British intelligence sticking their noses in for an unknown reason and the likelihood that there s a leak connected to Sid and Lisa s FBI supervisor Henry James As usual it s hard for Lisa to say whether the greater danger is to her heart or to her life Deceptive Appearances Anne Louise Bannon,2017-05-22 She was someone no one would suspect Heading for a simple pickup in Stateline Nevada Lisa Wycherly was nervous She and Sid Hackbirn her partner in Operation Quickline had been asked to not hide behind their usual aliases but work as themselves After all Lisa s hometown was just across the state line in South Lake Tahoe and thanks to her good girl reputation in town odds were good no one would pick her as an undercover counter espionage operative But it was Sid who first ran into an old friend from high school his teacher and former lover Della Riordan who was murdered shortly after leaving Sid Then Lisa found a small box filled with cocaine instead of the coded instructions she d been expecting from the pickup Sid got tagged as the main suspect in Riordan s murder and took full advantage of all the women who threw themselves at him as a result With Sid cutting a randy swathe through the female population on both sides of the state line the last thing Lisa needed was her parents coming home early from a trip The only thing worse was finding out that her father s store might be at the center of a drug ring let alone harboring a spy selling secrets to the other side With a crooked cop bent on setting Sid and Lisa up for the murder and an enemy agent spying on them keeping their secret from Lisa s family will be almost as hard as staying out of jail
