[Upper intermediate] : Video Teacher's Book*, 2001 *A Concise Grammar for English Language Teachers* Tony Penston, 2005 A Concise Grammar for English Language Teachers excels at actually making grammar easy to understand, easy to master, easy to apply in the classroom. Its underlying aim is to help teachers become au fait with the terminology used in modern ELT coursebooks and to build confidence in their ability to explain grammar rules both structural and functional. Among the bold innovations with this book is its A4 size which more readily accommodates the plentiful and highly commended tables of grammar items. It is also the first English teacher's grammar to use tree diagrams to show sentence constituents in full clarity. Other strengths include the many excerpts from coursebooks and resource books plus the excellent practical tips throughout. **Developing Materials for Language Teaching** Brian Tomlinson, 2014-08-01 This supplementary ebook contains the 12 chapters from the first edition of Brian Tomlinson's comprehensive *Developing Materials for Language Teaching* on various aspects of materials development for language teaching that did not for reasons of space appear in the second edition. New American Inside Out Sue Kay, 2010 *NEW INSIDE OUT UPPER INTERMEDIATE (TEACHER'S BOOK) (CD1)* Sue Kay, 2009-09 The comprehensive all in one Teachers Book is the perfect companion to the course providing teachers notes, practical teaching tips, photocopiable activities and a CD containing editable tests. **New inside out. Inside Out has been designed to develop real life communicative skills and powers of self expression. Success on your Certificate Course in English Language Teaching Caroline Brandt, 2006-07-04 Extremely comprehensive and well written in terms of style, accessible to the reader but intelligent and expressing some fairly subtle concepts. Would that more ELT practitioners could do the same. Certainly a good read for those thinking about and also those engaged in initial training or even post initial training stage. Jenny Pugsley, Head of TESOL, Trinity College London. It's essential reading whether you are simply curious about what is involved in training in ELT, need advice on choosing the right course, have already enrolled and want to make the most of your course, or are a new teacher just starting out. It's a book I wish I'd had when I was starting out in my ELT career and that I wish had been available to many of the course participants. I have tutored Lyn Strutt, ELT author and Chair of the British Council Families Association. Each year
