Introduction & Overview

The Supreme Court is the highest court in the United States. It is responsible for interpreting the Constitution and ensuring that laws are consistent with it. The Court is made up of nine Justices, one of whom is the Chief Justice. The Justices are appointed by the President and confirmed by the Senate.

The Supreme Court has the power of judicial review, which means it can declare laws and executive actions unconstitutional. This power is a key part of the Court's role in the federal government. The Court also has the power to hear appeals from lower courts.
