Love Me Hard Take Me Hard English Edition:

The Wickedness of a Highlander Elisa Braden, 2024-03-12 An angel in freefall A year ago Sabella Lockhart lived in sheltered gentility as the sister of a Scottish lord Then her brother's shocking crimes came to light leaving her with nothing but horrifying memories unpayable debts and a blackened name Before she leaves Scotland for good she must face the family he harmed most the MacPhersons But when a Highland robbery takes everything but the gown on her back she's forced to accept help from the MacPherson who despises her more than any other The one man she can't forget A devil who burns for revenge Alexander MacPherson hasn't forgotten Sabella Lockhart for a single bloody moment She's the reason he was shot the reason he endured a hellish recovery the reason he hasn't slept soundly in a year So when she turns up stranded and penniless in the village tavern he offers her a position as his maid Let her dirty those pristine hands scrubbing floors Let her earn those silk gowns one shilling at a time Nothing could be more satisfying than having her sleeping under his roof and following his commands Ruthless Absolutely But that's the catch in a deal with the devil He always takes more than his due A collision between heaven and hell When Sabella rises to his challenge her fire brings Alexander to his knees But she doesn't know how ruthlessly he'll fight to keep an angel by his side Or how dangerous a devil can be when the woman he wants more than air and whisky is threatened by a past that won't stay buried Poetry Harriet Monroe, 1915 *The Complete*
