

## PERIODIC MAINTENANCE DECAL - WELDING CAUTION

### CAUTION

Comply with welding **CAUTION** decals on Liftgate runners.

**NOTE:** See following pages to find the other decals on Liftgate.

### ! CAUTION !

When performing any electrical welding operations to the structure of this Lift, be careful to connect the ground lead to the Liftgate component being welded (e.g. runner assembly, column assembly, platform assembly), and as close to the area being welded as possible. Because the separate assemblies on the BMR series Lifts are insulated by self-lubricated bearings, failure to do so will cause severe damage to electrical components and metal parts.
