Medicare Secondary Payer Compliance: The Liability Case - Second Edition Roy A. Franco, Jeffrey J. Signor, 2012-12-01
This book is a guide and commentary for anyone involved in a liability case where the Medicare Secondary Payer Act comes into play. This book is designed to serve as a resource guide for anyone interested in learning where the potential pitfalls of the Act lay. The authors, highly versed in the complexities and nuances associated with the Act, provide commentary and analysis based on the law as it is presently known and suggest approaches to consider when attempting to finalize the liability case. The new requirements of the Act will not be easily absorbed by the liability industry. Practices developed over decades will need to change. Extra vigilance is necessary to avoid legal liability. This book provides much needed guidance to assist the practitioner in this regard. Provided by publisher.

Risk Management Handbook for Health Care Organizations, 3 Volume Set, 2011-01-06

It contains more practical chapters and health care examples and additional material on methods and techniques of risk reduction and management. The Personal Injury Handbook for Maryland, the District of Columbia, and Virginia Steven D. Campen, Esq., 2025-05-30
Law school typically teaches theory and not the practicalities of practicing law and running a law firm financially. *The Personal Injury Handbook* is meant to instruct new lawyers and those just beginning to practice personal injury law from organizing the firm to obtaining clients to dealing with the myriad of insurance issues that attend each such case. It guides the reader from investigation of the case through strategies to settling it as well as the steps to litigate the case if necessary from filing the complaint in the proper forum to trying the case before a jury. It also includes all the forms necessary to handle each case at every interval and in both state and federal courts. *The Personal Injury Handbook* will also be exceedingly beneficial to longtime personal injury lawyers who often have cases in all jurisdictions, particularly because it provides an easy cross reference to laws in all three jurisdictions and in federal court.

About the Author: Steven D. Campen, Esq., and his wife met as teenagers and have been happily married since 1975. They have four children: Heidi Elmore, who lives in San Jose, California and works in administration at Santa Clara University; Samantha Manganaro Sami, who is a graduate of Baltimore School of Law and has been his law partner since 2016; and Luke and Jesse Campen, who both have their degrees in Creative Writing. They have three grandchildren: Verite, who is Heidi's son; and Frankie and Nolan, who are Samantha's sons. Both Steven and Sami are heavily involved in Rotary and are Paul Harris Fellows, representing the highest level of donors in terms of finances, time, or both.
