**Making Moderate Islam** Rosemary R. Corbett,2016-11-23 Drawing on a decade of research into the community that proposed the so called Ground Zero Mosque this book refutes the idea that current demands for Muslim moderation have primarily arisen in response to the events of 9 11 or to the violence often depicted in the media as unique to Muslims Instead it looks at a century of pressures on religious minorities to conform to dominant American frameworks for race gender and political economy These include the encouraging of community groups to provide social services to the dispossessed in compensation for the government s lack of welfare provisions in an aggressively capitalist environment Calls for Muslim moderation in particular are also colored by racist and orientalist stereotypes about the inherent pacifism of Sufis with respect to other groups The first investigation of the assumptions behind moderate Islam in our country Making Moderate Islam is also the first to look closely at the history lives and ambitions of the those involved in Manhattan s contested project for an Islamic community center *The Complete Book of Seminole Patchwork* Beverly Rush,Lassie Wittman,1993-01-01 Fascinating introduction to a unique form of needlecraft distinguished by bright horizontal patterns and created by sewing cutting and rearranging strips of multicolored bands Simply written profusely illustrated volume includes a glossary of important terms and displays varied patchwork patterns along with instructions for reading assembly diagrams **Imaging and Mapping Eastern Europe** Katarzyna Murawska-Muthesius,2021-05-10 Imaging and Mapping Eastern Europe puts images centre stage and argues for the agency of the visual in the construction of Europe s east as a socio political and cultural entity This book probes into the discontinuous processes of mapping the eastern European space and imaging the eastern European body Beginning from the Renaissance maps of Sarmatia Europea it moves onto the images of women in ethnic dress on the pages of travellers reports from the Balkans to cartoons of children bullied by dictators in the satirical press to Cold War cartography and it ends with photos of protesting crowds on contemporary dust jackets Studying the eastern European iconosphere leads to the engagement with issues central for image studies and visual culture word and image relationship overlaps between the codes

of othering and self fashioning as well as interaction between the diverse modes of production specific to cartography travel illustrations caricature and book cover design This book will be of interest to scholars in art history visual culture and central Asian Russian and Eastern European studies **Studies in the History of Art** ,2009 *National Geographic* Mark Collins Jenkins,2014 Showcases over six hundred of the iconic magazine s covers from 1960 to the present in a collection that includes insights from editors and photographers that reveal how the images are shot and selected *Air University Review* ,1984-05 **Hunting the President** Mel Ayton,2014-04-14 In American history four U S Presidents have been murdered at the hands of an assassin In each case the assassinations changed the course of American history But most historians have overlooked or downplayed the many threats modern presidents have faced and survived Author Mel Ayton sets the record straight in his new book *Hunting the President Threats Plots and Assassination Attempts From FDR to Obama* telling the sensational story of largely forgotten or never before revealed malicious attempts to slay America s leaders Supported by court records newspaper archives government reports FBI files and transcripts of interviews from presidential libraries *Hunting the President* reveals How an armed would be assassin stalked President Roosevelt and spent ten days waiting across the street from the White House for his chance to shoot him How the Secret Service foiled a plot by a Cuban immigrant who told coworkers he was going to shoot LBJ from a window overlooking the president s motorcade route How a deranged man broke into Reagan s California home and attempted to strangle the former president before he was subdued by Secret Service agents In early 1992 a mentally deranged man stalking Bush turned up at the wrong presidential venue for his planned assassination attempt The relationships presidents held with their protectors and the effect it had on the Secret Service s mission *Hunting the President* opens the vault of stories about how many of our recent Presidents have come within a hair s breadth of assassination leaving America s fate in the balance Most of these stories have remained buried until now *Journal Holdings Report* United States. Environmental Protection Agency. Information Management and Services Division,1989 *The Splendor of Birds* National Geographic,2018 An elegant collection of the best artwork and photography from the National Geographic archives depicting the magnificence of birds Bird nature and art lovers alike will treasure this sumptuous visual celebration of the colors forms and behaviors of the winged wonders who share our world as they have been explored displayed and revealed throughout the years by National Geographic The book moves chronologically so readers witness the tremendous growth in our knowledge of birds over the last 130 years as well as the new frontiers in technology and observation from luminous vintage paintings and classic black and white photographs to state of the art high speed and telephoto camera shots that reveal moments rarely seen and sights invisible to the human eye The wide diversity of pictures captures beloved songbirds outside the kitchen window theatrical courtship dance of birds of paradise tender moments inside a tern s nest or the vivid flash of a hummingbird s flight Readers will delight in seeing iconic species from around the world through the eyes of acclaimed National Geographic wildlife photographers such as Chris Johns Frans
