**Reconnecting to the Source** Ervin Laszlo,2020-03-24 Renowned authority on science and philosophy Dr Ervin Laszlo explores the implications of the new quantum sciences to move beyond the of limits of reality as we know it and find our way again in our in formed purposively evolving universe Reconnecting to the Source is a powerful new book on the science of spiritual experience by Dr Ervin Laszlo A well known figure in the fields of new science consciousness and spirituality Dr

Laszlo has inspired some of today's most important figures in science and philosophy. In *Reconnecting to the Source* he unpacks the science behind spiritual experience, investigating the ways in which we can access realms of experience beyond the everyday. It is in these moments when our conscious minds are in contact or perhaps even overridden by our unconscious selves that we can explore the depths of spiritual meaning. In addition to a foreword by Deepak Chopra, the book includes new, never before published contributions from a long list of well-known writers and public figures including Jane Goodall, Barbara Marx Hubbard, Zhi Gang Sha, and many more. Each contributor has written about a unique spiritual experience of their own, sharing moments in their lives that are outside of the boundaries of the usual and reflecting on the importance of these moments. This revolutionary and powerful book will challenge you to reconsider the boundaries of our own experience and change how we look at the world around us. It is a unique, never before available resource for people who want to know how they can consciously align with the forces and attractors that govern the universe and brought us, living conscious people, on the scene in the great processes of evolution that unfold here on Earth.

### **U.S. Army Intelligence and Interrogation**

**Handbook** U.S. Department of the Army, 2014-02-04. The U.S. Army Intelligence and Interrogation Handbook provides doctrinal guidance, techniques, and procedures governing the use of interrogators as human intelligence collection agents in support of a commander's intelligence needs. It outlines the interrogator's role within the greater intelligence effort, as well as the unit's day-to-day operations, and includes details on how interrogators accomplish their assigned missions. This handbook is intended for use by interrogators, as well as commanders, staff officers, and military intelligence personnel charged with conducting interrogations, and applies to operations at all levels of conflict intensity, including conditions involving the use of electronic warfare or nuclear, biological, or chemical weapons. The U.S. Army Intelligence and Interrogation Handbook builds upon existing doctrine and moves interrogation into the twenty-first century within the constraints of the Uniform Code of Military Justice and the Geneva Conventions. Principles, guidelines, and topics covered include: The definition of interrogation; Interrogator capabilities and limitations; Warfighting doctrine; The intelligence cycle and its disciplines and operations; Amphibious and airborne operations; The interrogation process; Exploiting captured enemy documents; A tactical questioning guide; And many more tactics and techniques used by the U.S. Army.
