Hoops By Walter Dean Myers Chapter Summaries:

Walter Dean Myers Richard Andersen,2014-01-01 Walter Dean Myers wrote more than one hundred books for young adults He won the Coretta Scot King Award for African American and served as the U S National Ambassador for Young People s Literature This biography delves into the inspirational life of Myers and exposes the hardships he overcame to become one of the most regarded children s book authors in our lifetime Through this book readers will gain a deep insight into this influential author s work and how Myers fought for more African American authors of young adult fiction to be recognized

Walter Dean Myers Elizabeth Hoover,2014-01-30 Walter Dean Myers was a prolific author penning over one hundred young adult and children s books According to the American Library Association Myers won the Coretta Scott King Book Award six times This informative edition covers the life of author Walter Dean Myers The book spans Myers troubled childhood in Harlem through his rise as an editor at a publishing house and finally delves into his work as an author Readers will learn about how Myers overcame racism and learning disabilities to become an award winning author

Young Adult Literature and Culture Harry Eiss,2009-03-26 This book offers a multifaceted approach to the world of young adults everything from Ray Schrock s use of Walter Dean Myers sports stories to discuss race relations and cultural politics to Joyce Litton s analysis of the highly popular Sisterhood of the Traveling Pants Quartet The cover illustration is done by Joel Rudinger based on his experiences with the Inuit where he learned many of their legends and myths resulting in his own excellent work on Sedna the creation goddess a story filled with deep tragedy mystery and the world of the spirits This mythic world slides into the discussion of Harry Eiss one that focuses on The Isis Trilogy best known of Monica Hughes many works who writes Science fiction and fantasy in particular are valid carriers of myth for the 20th century and most especially for young people Margaret Best and Susann deVries also give us literature that uses science They begin The science fair project is the central metaphor and the reality in Paul Zindel s The Effect of Gamma Rays on Man in the Moon Marigolds 1970 Christopher Paul Curtis s Bucking the Sarge 2004 and Joyce Maynard s The Cloud Chamber 2005 After providing an overview science fiction Sally Sugarman offers a study of the entire genre For this study two hundred and thirty nine high school students from two schools in Vermont and Massachusetts were surveyed Alethea K Helbig provides an overview of her important activities promoting literature for the young She was a seminal scholar and educator when colleges and universities were just beginning to take the study of such literature seriously when English departments were initiating serious undergraduate and graduate classes in what previously had been seen as inferior literature Her life itself provides us with an entertaining and historically valuable autobiographical account of a person at the center of the change that has taken and continues to take place Jerry Loving expands the horizons of the entire collection of essays providing a firsthand account of how the young are educated in China including a detailed history It begins I have been traveling to mainland China at least 4 to 6 times a year as a teacher or education evaluator since 2002 As the visits and years passed I watched the education

system of China slowly improve to the level my schools were like when I went to school in the 50 s and 60 s Walter Dean Myers Denise M. Jordan,2013-01-01 Walter Dean Myers tells it like it is in his award winning novels about urban teenagers with real problems With humor and a keen ear for dialogue Myers creates characters that speak directly to today s teens As a young reader Myers could not find books about African American boys like himself Drawing upon his own struggles and experiences he has filled that literary gap with fascinating novels filled with realistic stories that appeal to readers of all backgrounds and cultures *Human Biology and Health* Anthea Maton,1993 *Booktalks Plus* Lucy Schall,2001-04-15 Obesity in a world where thin is endlessly in vogue pros and cons of tattoos and body piercing and family blending This guide leads you to quality literature that inspires students to read and discover more about these and many other issues they find relevant Booktalks for more than 100 titles are accompanied by motivational activities and lists of related works In addition pithy book summaries and bibliographic information are given Fiction and nonfiction titles most published since 1995 were selected with curriculum connections in mind and are arranged topically *Children's Books in Print, 2007* ,2006

Human Biology and Health ,1997 **Book Review Digest** ,1992 **Childhood and Innocence in American Culture** James M. Curtis,2023-08-01 This collection argues that the romanticized conflation of childhood and innocence in American culture has been on a steady decline at least since the 1960s largely due to postmodern critiques of overarching narratives involving both the child and the innocence of childhood Additionally this collection highlights and analyzes examples of children s literature and culture throughout the 20th century and into the 21st which pointedly defy traditional idealized notions of childhood Such an analysis serves to reiterate the idea that the romanticized notion of childhood which has pervaded American culture for over two centuries is little more than a cultural construction that bears little to no resemblance to the actual lived experience of American children
