

A People's History of the United States Howard Zinn

Chapter 1: "Columbus, the Indians, and Human Progress"

1. According to Zinn, what was Columbus's motivation for his discovery of the United States?

Zinn's motivation was to depict history from the viewpoint of the oppressed people rather than the viewpoint of politicians or historians.

2. According to Zinn, what is Columbus's greatest contribution to history?

Columbus's greatest contribution was to bring to the attention of the world the existence of the Americas, which had been inhabited by millions of people for thousands of years.

3. What is Zinn's main criticism of Columbus's voyage to the Americas?

Zinn's main criticism is that Columbus's voyage was motivated by greed and a desire for power, rather than by a desire to discover new lands or to help the people of the Americas.

4. What impact did Columbus's voyage have on the Americas?

Columbus's voyage led to the discovery of the Americas by other Europeans, which led to the colonization of the Americas and the destruction of the native cultures.

5. Why does Zinn believe that Columbus's voyage was a disaster for the Americas?

Zinn believes that Columbus's voyage was a disaster for the Americas because it led to the destruction of the native cultures and the introduction of diseases that killed millions of people. He also believes that Columbus's voyage led to the exploitation of the native people by the Europeans.

Reading, Learning, Teaching Howard Zinn Ed Welch, 2009 Howard Zinn is one of the most celebrated historians and social activists of our time Raised in a working class family in Brooklyn he was a shipyard worker and union organizer when World War II began He served as a bombardier in the European Theatre and this experience shaped his opposition to war as an instrument of foreign policy He became active in the civil rights movement as well as the anti war movement from the 1950s to the 1970s He is perhaps best known as the author of *A People s History of the United States* published in 1980 This study of Zinn s life and work opens the door to many aspects of historical study generally untouched in traditional secondary and collegiate survey courses in United States history To Zinn history is not an objective account of the past to be indelibly carved into the brains of American citizens rather history is an ever changing palette of events as people react to the contexts and cultures they find themselves immersed in By considering the lives and thoughts of less politically and socially prominent individuals students have the opportunity to re examine their own beliefs and assumptions about contemporary American life Students will gain insight into how history is constructed and recorded through a consideration of the life and writings of Howard Zinn

A People's History of the United States Howard Zinn, Kathy Emery, Ellen Reeves, 2003 This brilliant and moving history of the American people Library Journal presents more than 500 years of American social and cultural history going well beyond the wars and presidencies contained in traditional texts to tell the stories of working men and women Abridged for use in the classroom

Howard Zinn's Southern Diary Robert Cohen, 2018-09-15 The activist and author of *A People s History of the United States* records an in depth and personal account of the Civil Rights Movement in Atlanta During the Civil Rights Movement of the 1960s students of Spelman College a black liberal arts college for women were drawn into the historic protests occurring across Atlanta At the time Howard Zinn was a history professor at Spelman and served as an adviser to the Student Nonviolent Coordinating Committee Zinn mentored many of Spelman s students fighting for civil rights at the time including Alice Walker and Marian Wright Edelman Zinn s involvement with the Atlanta student movement and his closeness to Spelman s leading activists gave him an insider s

view of the political and intellectual world of Spelman Atlanta University and the SNCC He recorded his many insights and observations of the time in his Spelman College diary Robert Cohen presents Zinn s diary in full along with a thorough historical overview and helpful contextual notes It is a fascinating historical document of the free speech academic freedom and student rights battles that rocked Spelman and led to Zinn s dismissal from the college in 1963 for supporting the student movement

Critical Approaches to the Study of Higher Education Ana M. Martínez-Alemán, Brian Pusser, Estela Mara Bensimon, 2015-06 An essential guide to incorporating critical research into higher education scholarship Winner of the Outstanding Publication Award of the Post secondary Education Division of the American Educational Research Association Critical theory has much to teach us about higher education By linking critical models methods and research tools with an advocacy driven vision of the central challenges facing postsecondary researchers and staff *Critical Approaches to the Study of Higher Education* makes a significant and long overdue contribution to the development of the field The contributors argue that far from being overly abstract critical tools and methods are central to contemporary scholarship and can have practical policy implications when brought to the study of higher education They argue that critical research design and critical theories help scholars see beyond the normative models and frameworks that have long limited our understanding of students faculty institutions the organization and governance of higher education and the policies that shape the postsecondary arena A rigorous and invaluable guide for researchers seeking innovative approaches to higher education and the morass of traditionally functionalist rational and neoliberal thinking that mars the field this book is also essential for instructors who wish to incorporate the lessons of critical scholarship into their course development curriculum and pedagogy
