The Official Ahimsa Dog Training Manual Grisha Stewart, 2012 Ahimsa, a Hindu Buddhist doctrine of non-violence, adds in a fun, modern, scientific approach, and you've got a great way to train your dog. Dog Lovers! Learn to solve and prevent a variety of problems including barking, fear, puppy socialization, housetraining, aggression, fear, separation anxiety, and pulling on leash. Pro Trainers! Get more ways to teach skills and solve problems. Save time on write-ups by using this book as an in-home reference for your clients. Breeders and veterinarians! Send puppies home with this book to start them off on the right paw. This 108-page book is an introduction to dog training that started as the companion exercises for Ahimsa Dog Training classes in Seattle. It has practical exercises that start from a basic level and work up through advanced work on the most important behaviors for dogs to know. This quick manual is helpful for dog trainers to use with clients or new ideas for exercises and for breeders to share with new puppy parents. Includes info on how dogs learn, clicker training, how to get rid of bad behaviors, puppy biting, fear, aggression, separation anxiety, etc., and how to teach good behaviors like coming when called, the name watch, relaxation, sit, down, stay, wait, touch, walking on leash, give, go to your bed, and more.

Forty Nine Days of Growth Stephen Cervantes, 2018-06-20 My mission is to provide material that can be used by husbands to strengthen their marriage relationships. This workbook has one goal: emotional growth. The workbook is divided by weeks. Each week a new topic will be addressed. There are seven topics covered. The first topic is maturity. You will be asked to focus for seven days on each topic. Each topic has a significant role in the emotional/spiritual health of an individual. Part of a training series for Christian men. I have prepared this workbook in a way that will challenge and bless you. I cross paths daily with men who recognize their need for emotional growth. This workbook is designed to help direct you on your mission of growth and change.

The Must-Have Mom Manual Sara Ellington, Stephanie Triplett, 2009 Sara Ellington and Stephanie Triplett share their often different opinions on various aspects of raising children from birth to age six, covering the hospital experience, breastfeeding versus bottle feeding, going back to work, car seats, discipline, kids and sports, household management, potty training, schools, and many other topics.

A Clergy Husband's Survival Guide Matthew Caminer, 2012-10-18 Women now comprise almost half the priests serving in the Church of England. As a result, there are many male clergy spouses who have had to come to terms with the seismic shift that

occurs in family life when a wife embarks on the journey from exploration of vocation through selection training and formation to ordination and a life of ministry The author had his own busy career when he suddenly found himself playing second fiddle rather than being the doer in the household Not only did this subtly affect his marriage but as friends and acquaintances became parishioners he was required to respect boundaries to be discreet and often to carry the burden of unsought confidentiality Drawing on these experiences and those of many fellow clergy spouses this volume is a practical informative and engaging guide to the joys and challenges of being married to a vicar Part one deals with the process from initial call to ordination and beyond Part two helps clergy husbands work through what their new role might involve Part three looks at lifestyle and family issues while Part four offers support and sensible advice if things go wrong *The Author Training Manual* Nina Amir, 2014-03-18 If you want to write a book that's going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That's when you begin thinking about the first elements of the business plan that will make your project the best it can be The reality is that you don't want to spend time and energy writing a book that will never get read The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind Whether you're writing fiction or non fiction or intend to publish traditionally or self publish author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf Packed with step by step instructions idea evaluations sample business plans editor and agent commentaries and much more The Author Training Manual provides the information you need to transform from aspiring writer to career author *The Good Wife's Guide (Le Ménagier de Paris)*, 2012-08-22 In the closing years of the fourteenth century an anonymous French writer compiled a book addressed to a fifteen year old bride narrated in the voice of her husband a wealthy aging Parisian The book was designed to teach this young wife the moral attributes duties and conduct befitting a woman of her station in society in the almost certain event of her widowhood and subsequent remarriage The work also provides a rich assembly of practical materials for the wife's use and for her household including treatises on gardening and shopping tips on choosing servants directions on the medical care of horses and the training of hawks plus menus for elaborate feasts and more than 380 recipes The Good Wife's Guide is the first complete modern English translation of this important medieval text also known as Le Ménagier de Paris the Parisian household book a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages The Good Wife's Guide expertly rendered into modern English by Gina L Greco and Christine M Rose is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual This edition presents the book in its entirety as it must have existed for its earliest readers The Guide is now a treasure for the classroom appealing to anyone

studying medieval literature or history or considering the complex lives of medieval women It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts The work illustrates how a perhaps fictional Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation
