

Innocent While She Sleeps

Tormented by all the wicked and evil deeds she has committed in her life, the vampire has never known what it is like to truly rest in peace. Far from the confines of the Blood and the Raven, at Castle Dreyrnair, a most unlikely source offers her a way out of the life.

Initially, she dismisses it out of hand, stating the cost is far too high for her to possibly consider. But as time goes on, one overwhelming desire eats away at her - a return to innocence in both her waking hours and whilst she sleeps.

Will she accept this deadly but most compelling of offers, so that she can put her brutal existence to rest, once and for all?
