Inspiron 1501 User Manual:

Timeless Autobiography S. Markham Fish, 2014-01-31 In the fall of 1983 while attending the University I was driving in my first car a 1970 Toyota Corona with the radio on one morning The radio station broadcast an air disaster with the Soviet Union The Russian port of Vladivostok detected an American passenger jet aircraft wandering close to the USSR submarine base for the Pacific Ocean The flight was warned to change course did not and was shot down by a surface to air missile October 1983 At the University in a night course for Political Science called Public Policy the professor asked us to write the standard twenty page paper on a subject of our choice The Iran Contra affair was in the news and the Professor helped with a comment that there would be on going problems and a difficult conclusion for the student The paper was not finished before the student withdrew but oil came to mind and a high school friend who told his school mate forty percent of the worlds known oil supply was in Kuwait bordering Iraq next to Iran Therefore he was in for an adventure for the right reasons This also started to change the course of the son s life during the fall semester in Manhattan out of West Norwalk Ct I ran short of food and started to look toward the military for answers in my life I needed justice for the evil in this world three meals a day and a paycheck My grandfather served in the Navy as an officer during World War II and my stepfather in the Air Force enlisted rank to second lieutenant I was living with my father at the time of my final semester who also served in the National Guard during the Vietnam Era I went to the local armed forces recruiter in Stamford Connecticut and began the application process for the U S Navy The first series of questions were about drugs and psychiatric hospitalizations I lied The crew needed my birth certificate and High School diploma both they got in three days from New York City hospital and Hingham Massachusetts Then education and technical training were discussed and jobs in the Navy When this ended I was offered two choices for employment the mail or Core Man I chose medical and continued with pre enlistment I was further screened in a facility for physical health and ability in New Haven Ct and given an opportunity to pass the nuclear fleet exam I failed Then I continued with finger printing and signatures plus drug testing and blood samples for disease detection I passed and received directions to set off from the Norwalk Ct recruiting station The final procedure for enlisting you are on time or in the reserves I made it It was LGA to ORE in January of 1984 on American Airlines from Uncle Sam otherwise known as LaGuardia airport in New York City to OHare airport in Chicago Illinois one way paid When we arrived in Chicago our leader was unknown that got us to a bus outside the airport to the Navy Base called Great Lakes The trip was not really long when we got there the driver exclaimed smoke em if you got em and our entrance was tough your DRUNK We had small duffel bags with a change in them and nothing else Our first night we spent in our civilian clothes on something called a rack The Navy started to issue uniforms shortly after we arrived with some very carefully selected boots My half cut industrial shoes were first given me at 10E and were returned for 10EE with a friendly look All of our uniforms were stenciled with our names and company numbers We got an extensive compliment of trousers shirts sweaters jackets underwear and outerwear

footwear and of course the Navy Pea Coat We were taught to fold each garment in a special way for storage in a sea bag including the Blue Jackets Manual My service started in January of 1984 and I was to face a cold winter on Lake Michigan The base did a great job of helping us with weather requirements When temperatures were twenty below zero to sub twenty they would instruct us to *Electronics Buying Guide* ,2008 **Kiplinger's Personal Finance** ,2007-06 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **New Scientist** ,2007 Different Thinking Anja Förster,Peter Kreuz,2007 Demonstrates how companies can think creatively when producing new products and services for their customers
