

## Irony

1. The name "Proctor" is of English derivation meaning "one who is in charge," yet this is ironic in regard to Proctor's fate because

he was the victim of Judge Danforth's inflexible injustice.

2. The Puritan belief was that "children should be seen and not heard," yet the girls

were heard and believed by the court despite their lies.

3. The primary purpose of the Salem theocracy was to maintain community unity, yet during the witch trials

the community was torn apart by the opposition of neighbor against neighbor.

4. Giles Corey was a talkative man, yet at his death

he only uttered two words, "More weight."

5. Proctor had committed adultery with Abigail, yet when questioned by Hale

Proctor forgot the commandment dealing with adultery.
