Finance 320: Financial Management I Midterm 1: Study guide (Chapters 1, 2, 3 and 4)

This study guide follows our PPT slides closely. The numbered topics (for example topic 1.2 'The four types of firms') in this study guide are almost all (95%) what you need to know for the exams. Under each topic, I write questions that, I think, might facilitate your preparing for the exam. These questions are not all questions that might be asked in the exam.

To prepare better for exam conceptual questions, you can also review 'Critical thinking' questions (at the end of each chapter) as well as 'Chapter quiz' at the end of our PPT slides.
