Historical Dictionary of the Republic of Korea James E. Hoare,2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth edition of Historical Dictionary of the Republic of Korea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Korea

Evaluation Systems in Development Co-operation 2016 Review OECD,2016-09-30 Evaluation is widely recognised as an important component for learning and improving development effectiveness Evaluation responds to public and taxpayer demands for credible information and independent assessment of development co operation activities

The Abe Restoration Craig Mark,2016-05-12 Shinzo Abe returned to office as Prime Minister of Japan 2012 leading the Liberal Democratic Party LDP for a second time This book examines how Abe has sought a restoration of Japanese primacy at three levels political

through the restoration of the traditional postwar parliamentary dominance of the LDP economic through his signature policy known as Abenomics which aims to restore Japan's economic prosperity and end decades long deflationary stagnation and strategic in which Abe wishes to restore Japan to a prominent role in regional and international security by reinterpreting and potentially altering or even abolishing Article 9 of the constitution which would allow greater deployment of the Japanese Self Defense Forces This study argues that Abe has achieved overall political dominance being re-elected in 2014 and has passed controversial legislation allowing Japan to exercise collective self defense but it also contends that Abenomics has yet to lift the country out of its long running deflationary stagnation
