

# Baby P – Lord Laming report 2009

- Failure of agencies to share information
- Social workers over-stretched
- Red-tape+form filling hampering front-line staff
- “Over-complicated, lengthy and tick-box assessment+recording system.”
- Child protection seen as ‘Cinderella Service’
- Too many authorities failed to adopt his reforms following Victoria Climbié report in 2000
- “It seems like they have to do all this form filling. Their bosses make them do it but it makes them forget about us” – 16-year-old in care

## Lord Laming Baby P Report:

*Integrated Practice on the Front Line* Liz Garrett, Sal Lodge, 2009      Medical Ethics Today British Medical Association, 2012-01-31 This is your source for authoritative and comprehensive guidance from the British Medical Association BMA Medical Ethics Department covering both routine and highly contentious medico legal issues faced by health care professionals The new edition updates the information from both the legal and ethical perspectives and reflects developments surrounding The Mental Capacity Act Human Tissue Act and revision of the Human Fertilisation and Embryology Act      *Special Needs and Early Years* Kate Wall, 2010-12-29 Previous ed London Paul Chapman 2006      **The Politics of Children's Services Reform** Purcell, Carl, 2020-04-29 Drawing on unique access to prominent policy makers including ministers senior civil servants local authority directors and the leaders of children's sector NGOs Purcell re-examines two decades of children's services reform under both Labour and Conservative led governments He closely examines the origins of Labour's Every Child Matters programme the Munro review and more recent Conservative reforms affecting child and family social workers to reassess the impact of high profile child abuse cases including Victoria Climbié and Baby P and reveal the party political drivers of successive reform      **Dimond's Legal Aspects of Nursing** Richard A. Griffith, Bridgit Dimond, Iwan Dowie, 2019 Written specifically for student nurses as well as those already in practice Dimond's Legal Aspects of Nursing is your essential practical guide to the legal principles you need to be aware of in your everyday nursing practice Building on previous editions of the book by Bridgit Dimond this 8th edition has been significantly reworked by a new author team with extensive experience in teaching nursing law It has also been fully updated and revised in line with recent legal developments and the new Nursing standards to ensure it continues to meet the requirements of nursing law modules      *The Magistrates' Court* Bryan Gibson, Mike Watkins, 2009-05-18 A simple speedy summary this fully revised Fifth Edition takes account of the wide scale changes which have affected the work of Justices of the Peace and their courts in recent years A unique handbook Consistently rated excellent by reviewers Especially useful for newcomers to the topic A most useful introduction that can be used alongside other training materials or as an ideal self study guide Also includes a Timeline and an extensive Glossary of Words Phrases Acronyms and Abbreviations the language of the system which will be of particular use to people wishing to quickly get to grips with the terminology of the magistrates courts Topics covered include the history of the magistracy and its robust heritage the modern day magistrates court recent changes in administration and powers how people become JPs their training development mentoring and appraisal fundamental principles and tenets the key relationship between JPs and their legal advisers trial in the magistrates court summary justice crime and anti social behaviour sentencing and connected items guidelines advice and judicial oversight important rules and procedures diversity equality fairness and human rights relationship to the Crown Court and other courts magistrates and district judges reasoned decision making location within the wider Criminal Justice System the role of the Ministry of Justice

the role of HM Court Service adult courts youth courts and family courts road traffic and other specialist areas civil and non police matters a range of everyday topics sample procedures open justice media reporting and public confidence key committees liaison arrangements and membership bodies a wealth of further detail but all uncluttered by technical data Bryan Gibson is editor in chief Waterside Press He is a barrister former co editor of Justice of the Peace and a regular contributor to specialist journals He was for 25 years a justices clerk and during much of that time an elected member of the Council of the Justices Clerks Society and chair of its Criminal Law Committee He is co author with Paul Cavadino of The Criminal Justice System author of The New Ministry of Justice The New Home Office and The Pocket A Z of Criminal Justice amongst many others He has also written for The Guardian The Stage and numerous journals including Justice of the Peace The Independent Monitor and Prison Journal Mike Watkins is an experienced trainer of magistrates who has written materials for the Judicial Studies Board Magistrates Association and Universities of Birmingham and Cambridge

*Legal Aspects of Occupational Therapy* Bridgit C. Dimond, 2011-08-02 Since publication of the original edition in 1996 this book has established itself as an essential text for occupational therapists It offers an understanding of the law relating to their practice but is written to be accessible for those who have no prior legal knowledge The text provides valuable information for occupational therapists employed in health and social services as well as the law relevant to private practitioners The book includes chapters on all the main client groups and presents the relevant specialist law Students and teachers of occupational therapy will find the chapters on professional registration education training and research of particular interest The third edition has been substantially revised to cover significant changes in legislation since the previous version There is also a brand new chapter on the subject of death and dying *Legal Aspects of Occupational Therapy* remains a key resource for the occupational therapy student practitioner and service manager

Memory, Imagination, Justice David Gurnham, 2016-04-22 Through the creative use of literary analysis *Memory Imagination Justice* provides a critical and highly original discussion of contemporary topics in criminal law and bioethics Author David Gurnham uses popular and classical texts by authors including Shakespeare Dickens Euripides Kafka the Brothers Grimm Huxley and Margaret Atwood to shed fresh light on such controversial legal and ethical issues as passionate homicide life sentences child pornography and genetic enhancement Gurnham's overarching theme is the role of memory and imagination in shaping legal and ethical attitudes Along this line this book examines the ways in which past wrongs are remembered and may be forcefully responded to both by the criminal justice system itself and also by individuals responding to what they regard as gross insults threats or personal violations The volume further discusses the role of imagination as a creative force behind legal reform in terms of the definition of criminal behaviour and the possible future development of the law These ideas provide a useful and highly original perspective on contemporary issues of crime and society as they resonate both in legal and literary discussion

**Working with Children and Young People** Lindsay O'Dell, Stephen Leverett, 2018-06-26 Traditional ways of working

with children and young people are giving way to new practices Where practice solutions previously tended to be imposed on children and young people professionals are now looking to engage them as vital partners in actively negotiated and co constructed models of working Combining social ecological and social constructionist perspectives drawn from a range of academic and practice disciplines Working with Children and Young People explores and interrogates how ideas about childhood policy and professional discourses change over time and in turn affect the issues faced by young people and their families In particular this important text Develops a critical and reflective approach to knowledge and practice explored vividly across a wide range of practice settings Presents a new vision where the focus is centrally on the child or young person and where dominant ideas are challenged Explores how key concerns such as professional power and children s rights embed themselves in working relationships Working with Children and Young People provides an innovative critical framework for all students on vocational and professional courses involving work with children and young people It also offers illuminating reading for practitioners working with the 0 18 age group whether in the statutory voluntary or private sectors

**London Boroughs at 50** Tony Travers,2015-11-24 It is the year 1965 Mary Quant introduces the miniskirt to society in her shop in Chelsea the Dalek style Post Office Tower is opened and the Beatles play their last ever live UK tour date Most importantly on 1 April a new system of city government is introduced and London s thirty two boroughs are born revolutionising the capital into the place we know today New names had to be chosen councillors elected and policies formed these boroughs and the Greater London Council between them took control of housing roads planning schools and social services Half a century on and though the GLC was abolished in 1986 the boroughs live on now working alongside a new metropolitan government headed by mayors Ken Livingstone and since 2008 Boris Johnson In London s Boroughs at 50 Tony Travers examines the governing system that developed alongside the growing metropolis and by identifying the unique path each has taken over the years tells the fascinating story of how our remarkably diverse boroughs have not only survived but actively shaped both the city and the lives of its inhabitants in their impressive fifty year history

**Social Work Education and Training** Joyce Lishman,2011-09-15 This volume provides an overview of social work education including the background and current context It covers the key debates surrounding social work education such as the evaluation of Social Work Education the use of IT research mindedness and the effectiveness of interdisciplinary education

**Secrets and Silence** Beatrix Campbell,2023-10-10 The child sexual abuse scandal in the English county of Cleveland in the 1980s was a defining moment but not the scandal we were led to believe it was Acclaimed journalist Beatrix Campbell has uncovered government documents that show how medical evidence of childhood rape identified by pioneering paediatricians was deemed credible but dangerous it was more important to save money than save children This book reveals how this secret has framed policy making and public opinion and the consequences it has had for children professionals justice and the state The deaths of national treasures Sir Jimmy Savile and Sir Cyril Smith led to a torrent of evidence of childhood suffering the

discovery of widespread sexual exploitation and institutional abuse across the world all in plain sight The Cleveland children have remained in the shadows Now for the first time a Cleveland child delves into her records and shares her story

**Everyday Medical Ethics and Law** BMA Medical Ethics Department,2013-03-25 Everyday Medical Ethics and Law is based on the core chapters of Medical Ethics Today focussing on the practical issues and dilemmas common to all doctors It includes chapters on the law and professional guidance relating to consent treating people who lack capacity treating children and young people confidentiality and health records The title is UK wide covering the law and guidance in each of the four nations Each chapter has a uniform structure which makes it ideal for use in learning and teaching 10 Things You Need to Know About introduces the key points of the topic Setting the Scene explains where the issues occur in real life and why doctors need to understand them and then key definitions are followed by explanations of different scenarios The book uses real cases to illustrate points and summary boxes to highlight key issues throughout Whilst maintaining its rigorous attention to detail Everyday Medical Ethics and Law is an easy read reference book for busy practising doctors

**Law, Ethics and Professional Issues for Nursing** Herman Wheeler,2013-06-17 This comprehensive new textbook covers core ethical and legal content for pre registration nursing students It provides readers with a sound understanding of the interrelationships between the NMC s code of conduct standards and competencies ethics and relevant sections of the English legal system The only truly integrated text in the field it opens with overviews of law and nursing and ethical theories and nursing It goes on to explore key areas of contention such as negligence confidentiality and consent from legal and ethical perspectives mapping the discussion onto the NMC code of conduct The chapters include objectives patient focused case scenarios key points activities questions areas for reflection further reading and a summary Case law and statutes and ethical theories are presented where appropriate Written by an experienced nurse lecturer with a law and ethics teaching background Law Ethics and Professional Issues for Nursing is essential reading for all pre registration nursing students as well as students of other healthcare professions

Rethinking Social Issues in Education for the 21st Century Sylvia Horton,Wendy Sims-Schouten,2016-12-14 This book revisits key social issues and controversies in education There are many social issues currently on political and governmental agendas both in the UK and other countries from safeguarding childhood obesity bullying and mental health through to widening participation Some of these issues relate to children and young people and are of concern to those working and researching in education while others relate to Higher Education The boundaries between the academic disciplines of politics sociology economics psychology and education are porous The contributions here illustrate how common interests and collaboration can assist in our understanding of complex social issues the evaluation of current governmental responses and the promotion of ideas about the way forward into the 21st century

Accident & Emergency Brian Dolan,Lynda Holt,2013-05-23 Accident it is about why it should be done leading to sustainable and safer practice The third edition of this ever popular text expands its horizons to include contributions from

emergency care professionals in New Zealand Australia and the Republic of Ireland as well as the United Kingdom Applied anatomy and physiology and how it changes in injury and ill health Treatment and management of a wide range of emergency conditions Includes emergency care across the life continuum trauma management psychological dimensions and practice and professional issues Transportation of the critically ill patient chapter outlines the nursing and operational considerations related to transportation of the acutely ill person Creating patient flow chapter overviews the concepts behind patient flow across the wider health system and introduces the key concept of staff and patient time It explores some of the techniques used in manufacturing and service industries and its application to health system illustrating how to reduce the waste of patient and staff time Managing issues of culture and power in ED chapter demonstrates that cultural awareness is about much more than recognising the different religious needs of patients and their families it s also about recognising culture diversity stereotyping and expressions of power Updated to reflect the latest practice and guidelines in this fast changing field of practice

**Child Abuse: An Evidence Base For Confident Practice** Corby, Brian, Shemmings, David, Wilkins, David, 2012-11-01 This book is an accessible knowledge base for the whole area of child abuse and child protection now fully updated in terms of policy cases and research
