Bibliographic Guide to Womens Studies 1998 New York Public Library Staff, 1999-08 **The Good Vibrations Guide to Sex** Cathy Winks, Anne Semans, 1994 CiP has the subtitle How to Have Safe Sex in the 90s The publisher's title continues Tips and Techniques from the Folks Who Run America's Favorite Sex Toy Store Published by Cleis Press PO Box 8933 Pittsburgh PA 15221 Annotation copyright by Book News Inc Portland OR **Child Pornography** Ian O'Donnell, Claire Milner, 2012-12-06 This book explores the enduring appeal of child pornography and its ramifications for criminal justice systems around the world It is based on an extensive review of academic literature and newspaper coverage a trawl of websites frequented by those with a sexual interest in children a survey of how police investigate these offences examination of prosecutors decisions and interviews with judges It provides a framework for understanding the contemporary nature of this problem especially the harms it causes its intimate relationship with new technologies and the challenges it poses to law enforcement authorities The internet plays a pivotal role Its sheer size the anarchic way it grows the lack of any boundaries to its expansion and its disregard for national borders make it a legal environment without parallel An unwavering focus on

the threat of sexual abuse has contributed to the emergence of a context where routine dealings with children are viewed through a paedophilic lens. This can have the unfortunate consequence of distracting attention from more urgent concerns such as poverty and neglect which make children vulnerable to sexual exploitation. In this way an emphasis on the sexualisation of children could be said to aggravate the problem that it sets out to address. The book provides a comprehensive analysis of child pornography issues in all of their complexity including legal psychological criminal justice and social perspectives. It presents significant volume of original empirical data gathered from police prosecutors and judges includes new qualitative and quantitative information set against a background of shifting international developments. The analysis is explicitly comparative draws on a variety of sources including support groups for paedophiles newspaper coverage of court cases involving child pornography victim testimony and police operations.
