In *The Birds in My Life*, a serious bird lover's guide to birding in the Perth greater metro and beyond, author Jim Schultz takes readers on an unforgettable journey through the region's avian wonders. Over 190 bird species call this area home, including many Western Australian endemics, international migratory waders and a surprising number of introduced species. This book unveils their hidden world, guiding you to more than 200 prime birdwatching locations throughout the Perth region and beyond. Whether you are an avid birder or a curious observer, you will discover where and when to find these incredible birds along with expert photography tips to capture them in all their splendour.
