Moby Dick Diversion Classics:

Moby-Dick Herman Melville, 2022-05-12 It will be a strange sort of a book tho I fear blubber is blubber you know tho you may get oil out of it the poetry runs as hard as sap from a frozen maple tree to cook the thing up one must needs throw in a little fancy Yet I mean to give the truth of the thing spite of this Moby Dick has a monumental reputation Less well known are the novel's unexpectedly weird funny tantalizing messy and wondrous moments Narrator Ishmael along with the whaleship Pequod's other meanest mariners and renegades and castaways is beguiled into joining Captain Ahab in his vengeful pursuit of the white whale that dismasted him But along the way Ishmael takes the reader along many a detour into variegated ways of knowing In a tone strangely compounded of fun and fury Moby Dick brings outlandish curiosity to bear on the multitudinous oceanic scale of our diverse world ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **American Classics (Omnibus Edition) (Diversion Classics)** Nathaniel Hawthorne, Herman Melville, Washington Irving, James Fenimore Cooper, 2015-06-30 Featuring an appendix of discussion questions the Diversion Classics edition is ideal for use in book groups and classrooms In this collection of classics five seminal tales come together to form a picture of America in its youth but on the cusp of growing up These stories defined and challenged the standards of American literature and their influence is immeasurable Including Nathaniel Hawthorne's THE SCARLET LETTER Herman Melville's MOBY DICK James Fenimore Cooper's THE LAST OF THE MOHICANS Washington Irving's THE LEGEND OF SLEEPY HOLLOW and Jack London's THE CALL OF THE WILD this anthology edition is perfect for the voracious reader **The American Classics** Denis Donoghue, 2008-10-01 How is a classic book to be defined How much time must elapse before a work may be judged a classic And among all the works of American literature which deserve the designation In this provocative new book Denis Donoghue essays to answer these questions He presents his own short list of relative classics works whose appeal may not be universal but which nonetheless have occupied an important place in our culture for more than a century These books have survived the abuses of time neglect contempt indifference willful readings excesses of praise and hyperbole Donoghue bestows the term classic on just five American works Melville's Moby Dick Hawthorne's The Scarlet Letter Thoreau's Walden Whitman's Leaves of Grass and Twain's Adventures of Huckleberry Finn Examining each in a separate chapter he discusses how the writings have been received and interpreted and he offers his own contemporary readings suggesting for example that in the post 9/11 era Moby Dick may be rewardingly read as a revenge tragedy Donoghue extends an irresistible invitation to open the pages of these American classics again demonstrating with wit and acuity how very much they have to say to us now *The Teachers & Writers Guide to Classic American Literature* Christopher Edgar, Gary Lenhart, 2001
