Understanding of Europe Alan W. Ertl,2008 For the earnest student of Europe this unique work brings together a basic
review of essential segments of intellectual thinking In this volume pertinent conceptual relationships substantial relevant
particulars and an array of specific mechanics are all intertwined and used as a focus to examine the ongoing complex
European integration process By defining important parameterizations this text develops a paradigm probing the current day
international activities which are rapidly leading to meta national European supra nationality The most basic substantive of
the integration process is the collective various peoples of Europe with their individual diversities The origins of these
collective diversities the defining historical nationhood precedent is herein examined revealing the essential elements of
individual identities ethnologies linguistic collectivities and other antecedents imputing elements which compose the
substance and stuff today coalescing into tomorrow s future harmonized European identity This book is unique as it traces

from many different origins the elements that are merging Europe into one collective future This book sketches a process of onward integration as a continuation of what has happened in the past This argument is augmented with many time lines definition martial and historical presentation making it easy for the reader to grasp straightforwardly the wide ranging substance out of which a single whole is being constructed As a cognitive dynamic movements such as the Nordic League European Union and EFTA as well as many other entities have been noted movements each in their own way all contributing to an overall integrated Europe As the more prominent initiative the European Union with its diverse and constituent parts is carefully presented as well as its unique decision making process which is working to focus singular interests into collective benefits Integration is an inevitable byproduct of continentalization itself a sub consideration of globalization The time and perhaps the gestalt of the end result of this activity is not known however with a comprehensive overview the motion is clearly identifiable and the direction unequivocally certain The Single House of Europe is being built of very different elements This book defines these elements in terms of a paradigm for understanding the process of integration the process that is rapidly forming the new Single House of Europe *Reports of Officers and Proceedings of the ...
