Jubilee Days, 1872 **A Factotum in the Book Trade** Marius Kociejowski, 2022-04-26

The bookshop is and will always be the soul of the trade. What happens there does not happen elsewhere. The multifariousness of human nature is more on show there than anywhere else, and I think it's because of books: what they are, what they release in ourselves, and what they become when we make them magnets to our desires. A memoir of a life in the antiquarian book trade, *A Factotum in the Book Trade* is a journey between the shelves and then behind the counter into the overstuffed basement and up the spine-stacked attic stairs of your favourite neighbourhood bookshop. From his childhood in rural Ontario where at the village jumble sale he bought poetry volumes for their pebbled leather covers alone to his all-but-accidental entrance into the trade in London and the career it turned into, poet and travel writer Marius Kociejowski recounts his life among the buyers, sellers, customers, and literary nobility, the characters fictional and not who populate these places we all love. Cataloguing their passions and pleasures, oddities and obsessions, *A Factotum in the Book Trade* is a journey through their lives and a story of the serendipities and collisions of fate, the mundane happenings and indelible encounters, the friendships, feuds, losses, and elations that characterize the business of books and inevitably make up an unforgettable life.

The Complete English Poems John Donne, 2004-06-24

No poet has been more wilfully contradictory than John Donne, whose works forge unforgettable connections between extremes of passion and mental energy. From satire to tender elegy, from sacred devotion to lust, he conveys an astonishing range of emotions and poetic moods. Constant in his work, however, is an intensity of feeling and expression and complexity of argument that is as evident in religious meditations such as *Good Friday 1613 Riding Westward* as it is in secular love poems such as *The Sun Rising* or *The Flea*. The intricacy and subtlety of his imagination are the length and depth of the furrow made by his passion, wrote Yeats, pinpointing the unique genius of a poet who combined ardour and intellect in equal measure.
