

BRICs Monthly

Issue No: 10/03

May 20, 2010

Goldman Sachs Global Economics, Commodities and Strategy Research at <http://360.gs.com>

Is this the 'BRICs Decade'?

The last decade saw the BRICs make their mark on the global economic landscape. Over the past 10 years they have contributed over a third of world GDP growth and grown from one-sixth of the world economy to almost a quarter (in PPP terms). Looking forward to the coming decade, we expect this trend to continue and become even more pronounced.

The last decade saw the 'arrival' of the BRICs story. Here, we take a look at the next chapter—at how the BRICs and their relationships with the rest of the world will change in their second decade. We expect many of the trends we have already seen to continue and become even more pronounced. Our baseline projections envisage the BRICs, as an aggregate, overtaking the US by 2018. In terms of size, Brazil's economy will be larger than Italy's by 2020; India and Russia will individually be larger than Spain, Canada or Italy.

In the coming decade, the more striking story will be the rise of the new BRICs middle class. In the last decade alone, the number of people with incomes greater than \$6,000 and less than \$30,000 has grown by hundreds of millions, and this number is set to rise even further in the next 10 years. These trends imply an acceleration in demand potential that will affect the types of products the BRICs import—the import share of low value added goods is likely to fall and imports of high value added goods, such as cars, office equipment and technology, will rise.

In the past decade, BRIC equity markets outperformed significantly because the strong growth of these economies surprised many and the BRICs themselves came into focus. At the same time, valuations were low relative to many major markets in 2000. Now that the BRICs story is better known, expectations are higher and the valuation gap is much smaller, the same degree of outperformance seems much less likely, even if the BRICs deliver solid returns.

BRICs Will Contribute Twice As Much To Global Growth As The G2 In The Next Decade

Source: GS Global E&C Research

Millions in the BRICs to Enter Middle Class Income Bracket by 2020, Far Surpassing the G2

We've generally defined Middle Class as those with incomes >\$6,000 and <\$30,000. But, to compare BRICs to the G2, we included workers for all people >\$4,000 + U.S. both the middle and upper class.

Goldman Sachs Brick Report:

Official Summary of Security Transactions and Holdings Reported to the Securities and Exchange Commission Under the Securities Exchange Act of 1934 and the Public Utility Holding Company Act of 1935 ,1997

Official Summary of Security Transactions and Holdings , Reports of the U.S. Board of Tax Appeals United States. Board of Tax Appeals,1934 *Reports of the United States Board of Tax Appeals* ,1933-05 Annual Reports of the Various City Officers of the City of Minneapolis, Minnesota Minneapolis (Minn.),1897 *The Clay-worker* ,1930 *Innovative Solutions* Apala Lahiri Chavan,Girish V. Prabhu,2010-08-16 Expanding into emerging markets brings with it a specific set of challenges for designing products and services Not only do cultural differences play a role in what how and why customers behave the way they do but existing technologies distribution channels and the wants and needs of consumers become additional challenges when establishing ma **Reports of the United States Board of Tax Appeals** United States. Board of Tax Appeals,1934 Energy Security Challenges for the 21st Century Gal Luft,Anne Korin,2009-08-10 The impact of energy on global security and economy is clear and profound and this is why in recent years energy security has become a source of concern to most countries However energy security means different things to different countries based on their geographic location their endowment of resources their strategic and economic conditions In this book Gal Luft and Anne Korin with the help of twenty leading experts provide an overview of the world s energy system and its vulnerabilities that underlay growing concern over energy security It hosts a debate about the feasibility of resource conflicts and covers issues such as the threat of terrorism to the global energy system maritime security the role of multinationals and non state actors in energy security the pathways to energy security through diversification of sources and the development of alternative energy sources It delves into the various approaches selected producers consumers and transit states have toward energy security and examines the domestic and foreign policy tradeoffs required to ensure safe and affordable energy supply The explains the various pathways to energy security and the tradeoffs among them and demonstrates how all these factors can be integrated in a larger foreign and domestic policy framework It also explores the future of nuclear power the complex relations between energy security and environmental concerns and the role for decentralized energy as a way to enhance energy security **Reports of Proceedings ...** ,1912 *Reports of Proceedings ...* Boston (Mass.). City Council,1905

The Top 10 Investments for the Next 10 Years Jim Mellon,Al Chalabi,2008-02-04 Jim Mellon and Al Chalabi demystify the process of investment and let you in on a few of their BigIdeas whilst you work out a few of your own Real Estate can the hot housing markets really continue to generate 20% annual increases Stocks Mutual Funds the hardest of all investment classes to operate in so where are the opportunities Bonds Cash not as boring as you may think and with the capacity to make you a lot of money The BRIC Economies how do the emerging economies of Brazil Russia India and China stack up against the four key determinates of growth Commodities Collectables learn the five reasons why commodities are an

investment vehicle set to grow and grow Green Investments how can we turn the challenges of green and eco needs into monetary returns on investment Given a bit of strategic thinking and proper planning these BigIdeas can turn into MoneyFountains meaning your financial worries for the future are over before they ve begun The DIY manual for building lasting wealth Ross O'Brien The Economist Group Many powerful City pundits would give an arm and a leg for thirty minutes with Jim Mellon Simply divide your portfolio into 10 equal amounts and invest them in his 10 BigIdeas the advice in this book will beat most professional fund managers by leaps and bounds Sven Lorenz market commentator author investor and columnist for Money Week Packed with wise practical advice this book puts in plain English what every investor needs to know Alexandra Harney former South China Correspondent The Financial Times If fund managers are so smart why do they sit opposite me As an investor who backs his own judgement with cash Jim Mellon sits on the same side I only wish I had met him many many years ago Peter Simon owner and founder Monsoon Accessorize *Manufacturers' Record*, 1927 **The Great Decoupling** Moby Gao, Justin O'Connor, Baohui Xie, Jack Butcher, 2025-10-04 This book explores the decoupling process between the US and China from a number of perspectives The rise of China a country that is very different from the dominating West headed by the USA in terms of both political systems and civilizational traditions is profoundly unsettling for the latter Talk of decoupling the West from China has been going on for some years now and some actions have already taken place in this direction though attempts such as the replacement terminology of De-risking are being made on both sides to talk down the possibility What is the current state of affairs What is the likely prospect This project sets out to explore these questions This is one of the first attempts at dealing with the issue as comprehensively as possible in that it is not only cross and inter disciplinary but also in that scholars from both the global South and North and both the East and West are participants and will interest scholars of Chinese politics and international political relations **Annual Reports** New Jersey. Inspector of Factories and Workshops, 1903 [The Economic Crisis in Social and Institutional Context](#) Sebastiano Fadda, Pasquale Tridico, 2015-02-20 This book explores the foundations of the current economic crisis Offering a heterodox approach to interpretation it examines the policies implemented before and during the crisis and the main institutions that shaped the model of advanced economies particularly in the last two decades The first part of the book provides a theoretical analysis of the crisis The roots of the great recession are divided into fundamentals with origins in financial liberalisation financial innovation and income distribution and complementary or contributory factors such as the international imbalances the monetary policy and the role of credit rating agencies Part II suggests various paths to recovery while emphasising that it will be necessary to develop alternative strategies for sustainable economic recovery and growth These strategies will require genuine political support and a new great European vision to address major issues concerning the EU such as unemployment structural regional differences and federalism Drawing on various schools of thought this book explains the complexities of the crisis through a wider evolutionary institutional and heterodox framework **Imagined**

Futures Jens Beckert, 2016-06-07 Consumers investors and corporations orient their activities toward a future that contains opportunities and risks How do these actors assess uncertainty Jens Beckert adds a new chapter to the theory of capitalism by showing how fictional expectations drive modern economies or throw them into crisis when imagined futures fail to materialize

Handbook of Africa's International Relations Tim Murithi, 2013-09-05 Africa's international relations have often been defined and oriented by the dominant international and geopolitical agendas of the day In the aftermath of colonialism the Cold War became a dominant paradigm that defined the nature of the continent's relationship with the rest of the world The contemporary forces of globalization are now exerting an undue influence and impact upon Africa's international relations Increasingly the African continent is emerging as a vocal and in some respects an influential actor in international relations There is a paucity of analysis and research on this emerging trend This timely book proposes to fill this analytical gap by engaging with a wide range of issues with chapters written by experts on a variety of themes The emerging political prominence of the African continent on the world stage is predicated on an evolving internal process of continental integration In particular there are normative and policy efforts to revive the spirit of Pan Africanism the 21st century is witnessing the evolution of Pan Africanism notably through the constitution and establishment of the African Union AU Given the fact that there is a dearth of analysis on this phenomenon this volume will also interrogate the notion of Pan Africanism through various lenses notably peace and security development the environment and trade The volume will also engage with the emerging role of the AU as an international actor e g with regard to its role in the reform of the United Nations Security Council climate change the International Criminal Court ICC the treaty establishing Africa as a nuclear free zone Internally Displaced Persons the Millennium Development Goals MDGs international trade the environment public health issues security and development issues This book will assess how the AU's role as an international actor is complicated by the difficulty of promoting consensus among African states and then maintaining that consensus in the face of often divergent national interests This book will in part assess the role of the AU in articulating collective and joint policies and in making interventions in international decision and policy making circles The Handbook will also assess the role of African social movements and their relationship with global actors The role of African citizens in ameliorating their own conditions is often underplayed in the international relations discourse and this volume will seek to redress this oversight Throughout the book the various chapters will also assess the role that these citizen linkages have contributed towards continental integration and in confronting the challenges of globalization

Goldman Sachs Brick Report Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Goldman Sachs Brick Report PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Goldman Sachs Brick Report PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Goldman Sachs Brick Report free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Goldman Sachs Brick Report Books

1. Where can I buy Goldman Sachs Brick Report books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Goldman Sachs Brick Report book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Goldman Sachs Brick Report books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Goldman Sachs Brick Report audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
