

# Got Ballot?

Name: \_\_\_\_\_

**A. Initiative Details.** The specific rules for initiatives vary from state to state, but most have certain procedures in common. Read the steps you would have to take to get an initiative on the ballot and put them in order by numbering them 1 to 10.

Steps 1 to 5

- ☐ Now that the state approved my application, it's time to print out a bunch of petition sheets. I'm going to need a ton of paper!
- ☐ Hey! I've got an idea for a new law. Oh, yes — This is a good one. If people see this on the ballot, they would definitely vote for it.
- ☐ The application says the law must be written down. I'd better hire some lawyers to help me draft it with exactly the right words.
- ☐ Getting these petitions signed is going to be a lot of work. I'd better recruit a whole bunch of volunteers to circulate these petitions.
- ☐ Before I take action, I'll make sure I'm a registered voter in this state. Otherwise I'll be wasting my time. There's probably paperwork, too.

Steps 6 to 10

- ☐ The law is finished and petitions signed. Now I'll submit it to the Secretary of State along with my application to put an initiative on the ballot.
- ☐ Success! We've got the required number of voter signatures. I'd better return these petitions to the state before the deadline.
- ☐ Look what just arrived! It's a serial number for the new initiative. Looks like the application was approved!
- ☐ Whew! I've been standing outside the library with this petition all day. I wonder how many signatures the other volunteers have collected?
- ☐ Yippeee! The votes have been tallied, and the initiative won by a landslide! My great idea is now a law!

**B. Recall: A Good Idea?** There is a lot of debate about whether voters should be able to recall elected officials. What do you think? Read the recall pros and cons, then let them help you make an argument for or against recall elections. Just put the reasons in your own words.

**Pro:** Recall is helpful because...

- ☐ Elected officials will do a better job.
- ☐ Voters have a way to get rid of elected officials who aren't doing a good job.
- ☐ More people pay attention to important issues during a recall election.
- ☐ Elected officials will pay more attention to what voters want.

**Con:** Recall is harmful because...

- ☐ Elected officials may be afraid to take a necessary action that is unpopular.
- ☐ People in one political party might use a recall election to get rid of a politician from the other party.
- ☐ Worried interest groups can stir up voter anger when there isn't really a problem.
- ☐ Elections are expensive.

**NOT:** Most states also have an impeachment process, where an elected official who has done wrong can be put on trial and removed.

I think recalls are ☐ good or ☐ harmful because...
