Secretary of State, 1886 **Minerals Yearbook** Geological Survey, Interior Department, Mines Bureau, 2019-01-31 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary Biennial Report of the Secretary of State Kansas. Secretary of State, 1898 **Biennial Report of the Secretary of State of the State of Kansas** Kansas. Secretary of State, 1886 The Cambodian Campaign John M. Shaw, 2005 When American and South Vietnamese forces led by General Creighton Abrams launched an attack into neutral Cambodia in 1970 the invasion ignited a firestorm of violent antiwar protests throughout the United States dealing yet another blow to Nixon's troubled presidency But as John Shaw shows the campaign also proved to be a major military success Most histories of the Vietnam War either give the Cambodian invasion short shrift or merely criticize it for its political fallout thus neglecting one of the campaign's key dimensions Approaching the subject from a distinctly military perspective Shaw shows how this carefully planned and executed offensive provided essential support for Nixon's decent interval and peace with honor strategies by eliminating North Vietnamese sanctuaries and supply bases located less than a hundred miles from Saigon and by pushing Communist troops off the Vietnamese border Despite the political cloud under which the operation was conducted Shaw argues that it was not only the best of available choices but one of the most successful operations of the entire war sustaining light casualties while protecting American troop withdrawal and buying time for Nixon's pacification and Vietnamization strategies He also shows how the United States took full advantage of fortuitous events such as the overthrow of Cambodia's Prince Sihanouk the redeployment of North Vietnamese forces and the late arrival of spring monsoons Although critics of the operation have protested that the North Vietnamese never did attack out of Cambodia Shaw makes a persuasive case that the near border threat was very real and imminent In the end he contends the campaign effectively precluded any major North Vietnamese military operations for over a year Based on exhaustive research and a deep analysis of the invasion's objectives planning organization and operations Shaw's shrewd study encourages a newfound respect for one of America's genuine military successes during the war **Catalog of Copyright Entries.
