Of Boys and Men Richard V. Reeves, 2022-11-27 The Book that Sparked a National Conversation A Barack Obama 2024 Summer Reading Selection An Economist Best Book of 2022 A New Yorker Best Book of 2022 Boys and men are struggling Profound economic and social changes of recent decades have many losing ground in the classroom the workplace and in the family While the lives of women have changed the lives of many men have remained the same or even worsened In this widely praised book Richard

Reeves father of three sons a journalist and now the president of the American Institute for Boys and Men tackles the complex and urgent crisis of boyhood and manhood He argues that our attitudes our institutions and our laws have failed to keep up Conservative and progressive politicians mired in their own ideological warfare fail to provide thoughtful solutions Reeves looks at the structural challenges that face boys and men and offers fresh and innovative solutions that turn the page on the corrosive narrative that plagues this issue Of Boys and Men argues that helping the other half of society does not mean giving up on the ideal of gender equality Reign of Error Diane Ravitch,2013-09-17 From one of the foremost authorities on education in the United States former U S assistant secretary of education whistle blower extraordinaire The Wall Street Journal author of the best selling The Death and Life of the Great American School System Important and riveting Library Journal The Language Police Impassioned Fiercely argued Every bit as alarming as it is illuminating The New York Times and other notable books on education history and policy an incisive comprehensive look at today s American school system that argues against those who claim it is broken and beyond repair an impassioned but reasoned call to stop the privatization movement that is draining students and funding from our public schools In Reign of Error Diane Ravitch argues that the crisis in American education is not a crisis of academic achievement but a concerted effort to destroy public schools in this country She makes clear that contrary to the claims being made public school test scores and graduation rates are the highest they ve ever been and dropout rates are at their lowest point She argues that federal programs such as George W Bush s No Child Left Behind and Barack Obama s Race to the Top set unreasonable targets for American students punish schools and result in teachers being fired if their students underperform unfairly branding those educators as failures She warns that major foundations individual billionaires and Wall Street hedge fund managers are encouraging the privatization of public education some for idealistic reasons others for profit Many who work with equity funds are eyeing public education as an emerging market for investors Reign of Error begins where The Death and Life of the Great American School System left off providing a deeper argument against privatization and for public education and in a chapter by chapter breakdown putting forth a plan for what can be done to preserve and improve it She makes clear what is right about U S education how policy makers are failing to address the root causes of educational failure and how we can fix it For Ravitch public school education is about knowledge about learning about developing character and about creating citizens for our society It s about helping to inspire independent thinkers not just honing job skills or preparing people for college Public school education is essential to our democracy and its aim since the founding of this country has been to educate citizens who will help carry democracy into the future Effective Strategies for Accelerated Learning United States.
