

Guided Reading & Analysis: A New World

Chapter 1- A New World of Many Cultures, 1491-1607, pp 1-13

Reading Assignment:

Ch. 1 AMSCO. If you do not have the AMSCO text, use chapter 1 of *American Pageant* and/or online resources such as the website, podcast, crash course video, chapter outlines, Hippocampus, etc...

Purpose:

This guide is not only a place to record notes as you read, but also to provide a place and structure for reflections and analysis using your noggin (thinking skills) with new knowledge gained from the reading. This guide, if completed in its entirety BOP (Beginning of Period) by the due date, can be used on the first quiz as well as earn up to 10 bonus points. In addition, completed guides provide the student with the ability to correct a quiz for ½ points back! The benefits of such activities, however, go far beyond quiz help and bonus points. ☺ **Mastery of the course and AP exam await all who choose to process the information as they read/receive.** This is an optional assignment. So... young Jedi... what is your choice? Do? Or do not? There is no try. (Image Source: AdventureSales.com)

Directions:

1. **Pre-Read:** Read the prompts/questions within this guide before you read the chapter.
2. **Skim:** Flip through the chapter and note titles and subtitles. Look at images and read captions. *Get a feel for the content you are about to read.*
3. **Read/Analyze:** Read the chapter. If you have your own copy of AMSCO, **Highlight key events and people as you read.** Remember, the goal is not to "fish" for a specific answer(s) to reading guide questions, but to **consider questions in order to critically understand what you read!**
4. **Write** Write your notes and analysis in the spaces provided. Complete it in **INK!**

Key Concepts FOR PERIOD 1:

On a North American continent controlled by American Indians, contact among the peoples of Europe, the Americas, and West Africa created a new world. **Key Concept 1.1** Before the arrival of Europeans, native populations in North America developed a wide variety of social, political, and economic structures based in part on interactions with the environment and each other.

Key Concept 1.2: European overseas expansion resulted in the Columbian Exchange, a series of interactions and adaptations among societies across the Atlantic. **Key Concept 1.3:** Contacts among American Indians, Africans, and Europeans challenged the worldviews of each group.

SECTION 1 - Period Perspectives, p.1

Consider the data in the chart at right as well as page 1 of the text when completing this section.

1. Period 1 begins with 1491. If the American Indian population in what is now the United States was nearly 10 million before 1492, why is the United States population in modern times only 2 to 3% American Indian?
2. Period 1 ends with the establishment of Jamestown, the first permanent British settlement in North America. Explain why 1607 is a major turning point in United States history.

Are you using ink? Remember... no pencil!

SECTION 2 Guided Reading, pp 2-13

As you read the chapter, jot down your notes in the middle column. Consider your notes to be elaborations on the Objectives and Main Ideas presented in the left column. When you finish reading the section and taking notes, process and analyze what you read by answering the question in the right hand column. You do not need to write in complete sentences.
