Phillip E. Faller, 2013-01-22 This book contains never before published information including artillery firing tables for an Indiana infantry regiment converted to heavy artillery It concentrates upon these Hoosiers three and a half years of duty in the Trans Mississippi Theater and Gulf states during the Civil War often as a separate command They acted as infantry cavalry and light artillery with captured cannons before being converted to heavy artillery in 1863 Their cannons and artillery equipment were hauled by hundreds of mules The regiment participated in the taking of New Orleans securing an important rail link to Morgan City Louisiana the Teche Campaign the siege and reduction of Port Hudson the Red River Campaign and sieges and reductions of Fort Gaines Fort Morgan Spanish Fort and Fort Blakely Alabama A Jackass at Every Turn! Bear Brooks, 2005-10 America is out of control Political correctness rules the world Irresponsible people make the rules Government wastes whining politicians party line voting our failed education system judges making laws and all we do is keep ignoring the abuse being dealt to us on a daily basis We are being abused by our own ignorance There are stupid people and there are those of us who are just ignorant If you do not know what ignorance means look it up Politicians who are dying to turn America into a socialist society where the government controls every aspect of our lives are attacking us Your friends your neighbors your bank your employers your employees and everyone else are just waiting for the chance to cheat steal or just abuse you Who is going to get you next With a no holds barred approach author Bear Brooks shares his

thoughts and feelings on the state of America today His outspoken discussions center around politicians the rapid rise of lawsuits environmentalists dating and marriage Candid and bold Brooks will make you stop and think about issues that affect us all

Sociolinguistics of Style and Social Class in Contemporary Athens Irene Theodoropoulou, 2014-09-15 This ethnographic study deals with the ways people in Athens Greece use style to construct their social class identities Including a rich dataset comprising ethnographic interviews with actual people who live in the stereotypically seen as leafy and posh northern suburbs and in the stereotypically treated as working class western suburbs of Athens coupled with data from popular literary novels TV series and Greek hip hop music it argues that the relationship between style and social class identity is mediated by complex social meanings encompassing features from and discourses relevant to both areas which are structured across different orders of indexicality depending on the genre of speech in which they are created As such it will be of interest to scholars in sociolinguistics discourse analysis anthropology sociology Modern Greek studies and to everyone who is interested in how social class is constructed via language
