

Hurricane Shelters Use Report

G Psacharopoulos

Hurricane Shelters Use Report:

Pilot study on the experiences of hurricane shelter evacuees Laura DiGrande, Lisa Carley-Baxter, Christine Bevc, Suzanne Triplett, Craig William, Lewis-Owen, Jessica Williams, 2019-09-11 Community members who evacuate to shelters may represent the most socially and economically vulnerable group within a hurricane s affected geographic area Disaster research has established associations between socioeconomic conditions and adverse effects but data are overwhelmingly collected retrospectively on large populations and lack further explication As Hurricane Florence approached North Carolina in September 2018 RTI International developed a pilot survey for American Red Cross evacuation shelter clients Two instruments an interviewer led paper questionnaire and a short message service SMS text questionnaire were tested A total of 200 evacuees completed the paper survey but only 34 participated in the SMS text portion of the study Data confirmed that the sample represented very marginalized coastline residents 60 percent were unemployed 70 percent had no family or friends to stay with during evacuation 65 percent could not afford to evacuate to another location 36 percent needed medicine medical care and 11 percent were homeless Although 19 percent of participants had a history of evacuating for prior hurricanes disasters and 14 percent had previously utilized shelters we observed few associations between previous experiences and current evacuation resources behaviors or opinions about safety This study demonstrates that for vulnerable populations exposed to storms of increasing intensity and frequency traditional survey research methods are best employed to learn about their experiences and needs Hearings, Reports and Prints of the House Committee on Armed Services United States. Congress. House. Committee on Armed Services, 1978 **Hearings, Reports and Prints of the House Committee on Public Works** United States. Congress. House. Committee on Public Works, 1965 **Morbidity and Mortality Weekly Report** , 1999 Report of the Chief ... United States. Weather Bureau, 1911 **Hearings, Reports and Prints of the Senate Committee on Public Works** United States. Congress. Senate. Committee on Public Works, *Disaster Preparedness Report* , 1986 Storm Data , 2006-06 The Dalai Lama's Secret and Other Reporting Adventures Henry S. Bradsher, 2013-04-08 For over a quarter of a century award winning journalist Henry Bradsher reported stories from around the world In this lively and engaging account Bradsher recounts episodes from a distinguished career that took him to the Himalayas the jungles of Bhutan Kremlin caviar receptions China s Forbidden City and the battlefields of Vietnam Throughout Bradsher emphasizes the unpredictability of a correspondent s life and the strains perils and privileges of standing witness to momentous world events In South Asia Bradsher reported the Dalai Lama s escape from Tibet in 1959 and the last five years that Jawaharlal Nehru led India with a side trip to hunt tigers in Nepal with Queen Elizabeth In Moscow he covered the downfall of Nikita Khrushchev and he later suffered the KGB bombing of his car in response to his tenacious reporting His incisive coverage from Hong Kong led Chinese officials to label Bradsher as the most despicable journalist But after a power shift they welcomed him as the first American journalist allowed to work in China in over a year

Bradsher predicted and reported Bangladesh's independence struggle and he worked in the Middle East covering Egyptian Israeli peace arrangements. Access to the events that shaped the Cold War also led to Bradsher's meeting many world leaders including Nehru, Khrushchev, Leonid Brezhnev, Zhou Enlai, Richard Nixon, Gerald Ford, Jimmy Carter, Ronald Reagan, Anwar Sadat, and Menachem Begin. Although Bradsher's reporting riled officials in Moscow, Beijing, and even the United States, prompting Henry Kissinger's attempts to thwart the publication of his reports, history has proven its accuracy. Bradsher's relentlessness in his own work accompanied a profound respect for fellow journalists worldwide who endanger themselves to keep the public informed. *Annual Report - Office of Civil Defense* United States. Office of Civil Defense, 1962
