In Too Deep R.L. Carroll,2024-01-15 All you wanted was to curb your hunger to indulge in some well seasoned meat wrapped in an expertly steamed envelope Was that what you got No You had a lot going for you Now in your late twenties you were a decorated author a successful investor and a mother to a cat that might be a demon in disguise Jury was still out on that one You worked hard for this lifestyle fighting omega stigmas and glass ceilings You were enjoying it to the fullest or as full as your introverted self desired Yet all in a moment your life took a deep dive Off a cliff into a ravine and down to the bottom of a lake Past trauma resurfaces trying to break down the fragile walls you d constructed Will you let it win Let the KPop industry run over you and cost you the possibility of a happily ever after Can you fight a war against a fandom that numbers in the millions Baek Dae was a household name in countries all over the world The alpha leader of KPop boy band Galaxy he was accustomed to his life being chaotic His members Minju Hyunbin Hansung and Leo all brought him heaps of it on a daily basis He was a seasoned professional performing on stage for tens of thousands of fans then going home to practice for the next one Nothing kept him down So why was his entire existence thrown through a loop after one encounter Finding his fated mate the person genetically wired to match him in every way was supposed to be a magical moment Something to inspire a thousand love songs When disaster after disaster happens will he end up writing lost love songs for the rest of his career
