 UNESCO less than 30% of researchers worldwide are women Long standing biases and gender stereotypes are discouraging
 girls and women away from science related fields and STEM research in particular Science and gender equality are however
 essential to ensure sustainable development as highlighted by UNESCO In order to change traditional mindsets gender
 equality must be promoted stereotypes defeated and girls and women should be encouraged to pursue STEM careers
 Therefore Frontiers in Pharmacology is proud to offer this platform to promote the work of women scientists at different
 stages in their career all over the world and across all fields of Pharmacology The work presented here highlights the
 diversity of research performed across the entire breadth of Pharmacoepidemiology research and presents advances in
