

Kumihimo Flat Braid Tutorial

Instructions for basic 8-cord flat braid made with satin cord.

Start with 8 strands of cord, each a few inches longer than twice the length that you want the finished braid to be. You can use any number of colors. The pattern that you will get depends on the placement of the colors. Experiment to see what you will get!

Tie the cords in a knot and place the knot in the hole in the middle of the plate. Place the cords in the configuration shown here. Follow the arrows to create your braid.

This flat braid was created with 4 colors.

Click the pictures for a larger image.

[Click here to go to the Satin Cord Store](#)

for loads of satin cord, rattail, rat tail and silk cord, findings and beads, and tips and tutorials!

The braid in this picture was created with 2mm nylon satin cord and is around an inch wide. It can also be created using the 1mm nylon satin cord - you would get a braid around half an inch wide. You can also use any of the sizes of rayon satin cord (rattail cord).

Start over again with step 1 and repeat the pattern
