Chinese Justice, the Fiction Jeffrey C. Kinkley, 2000 This is a full length study of Chinese crime fiction in all eras ancient modern and contemporary It is also the first book to apply legal scholars law and literature inquiry to the rich field of Chinese legal and literary culture **French Crime Fiction** Claire Gorrara, 2009 This book is one of the first English language studies to chart the development of crime fiction in French from the mid nineteenth century to the present day It analyses the distinctive features of a French language tradition and introduces readers to a rich and varied body of work Each chapter examines a specific period movement or group of writers as well as engaging with wider debates on the place of crime fiction within contemporary French and European culture From early twentieth century pioneers such as Gaston Leroux and Maurice Leblanc to the phenomenal success of Georges Simenon from May 68 to the gender politics of crime fiction and postmodern reinventions this collection approaches crime fiction in an interdisciplinary manner alive to the innovative and often critically informed perspective it provides on French society and culture The book also includes short extracts in English translation and an extensive bibliography of critical material for further reading Such resources are aimed

at encouraging the reader to gain a greater appreciation and understanding of this potent and formidable narrative of modern times

The Pleasures of Crime David Platten, 2011-12 For 150 years the French public and literati have enjoyed a love affair with crime fiction This book investigates the nature of this relationship and how through periods of dramatic social and political change in France it has flourished It challenges the conventional view of a popular genre feeding a niche market depicting crime fiction instead as a field of creative endeavour which has gradually matured into one of considerable literary fertility By inviting us to share secrets and crack codes creating suspense and at times not shirking from presenting horrific events in graphic language the crime story brings into play the intellect and emotions of its readership This book explores both this intrinsic literary value of the crime novel and its extrinsic witness to historical events and cultural trends arguing that these apparently distinct aspects are in fact dynamic interrelated parts of the same whole This blend of cultural history with literary analysis allows for the discussion of themes such as politics memory the urban environment and youth cultures mixed with case studies of major French crime writers including Gaston Leroux Georges Simenon Jean Patrick Manchette Daniel Pennac and Fred Vargas

Differences, Deceits and Desires Mirna Cicioni, Nicoletta Di Ciolla, 2008 Italian crime fiction known as gialli in Italy has developed from a popular genre to a fully fledged literary genre and in the past thirty years it has gradually become the focus of growing interest from literary critics as well as the reading public This collection of twelve essays is the first one in English to deal exclusively with Italian crime fiction The essays are scholarly yet accessible contributions to the growing research in this field They analyze texts by well known authors such as Umberto Eco Leonardo Sciascia and Andrea Camilleri as well as works by younger writers They bring together four of the most significant strands of Italian gialli the way gialli develop or subvert the tradition and conventions of the crime genre regional specificity within Italian crime fiction gialli by and about women lesbians and gay men and representations of Italy in gialli written by English speaking writers

Sherlock Holmes Handbook Christopher Redmond,2009-09-28 Here in one convenient volume is everything needed for the enjoyment of Holmes canon **Magic, Magicians and Detective Fiction** Rebecca Josephy,2025-01-13 Magic and especially performance magic has been a part of crime fiction since its inception both art forms surged in popularity in Western Europe in the second half of the nineteenth century and influenced each other in profound ways This collection of essays provides an in depth look at this phenomenon and covers a variety of writers across multiple languages cultures and traditions as well as multiple subgenres Victorian autobiography classic detective tales pulp fiction fantasy mystery etc From historical studies examining the rise in popularity of magician narratives in mystery and detective fiction to essays documenting the number of professional magicians who double as crime fiction writers to theoretical studies analyzing the narrative and functional overlap between illusion prestidigitation and literary criminals and detectives this collection of essays provides readers with a range of perspectives and approaches from a variety of scholarly backgrounds *Rewriting Wrongs* Angela Kimyongür,Amy Wigelsworth,2014-10-02 *Rewriting Wrongs* French Crime Fiction and the Palimpsest furthers scholarly research into French crime fiction and within that broad context examines the nature functions and specificity of the palimpsest Originally a palaeographic phenomenon the palimpsest has evolved into a figurative notion used to define any cultural artefact which has been reused but still bears traces of its earlier form In her 2007 study *The Palimpsest* Sarah Dillon refers to the persistent fascination with palimpsests in the popular imagination embodying as they do the mystery of the secret the miracle of resurrection and the thrill of detective discovery In the context of crime fiction the palimpsest is a particularly fertile metaphor Because the practice of rewriting is so central to popular fiction as a whole crime fiction is replete with hypertextual transformations The palimpsest also has tremendous extra diegetic resonance in that crime fiction frequently involves the rewriting of criminal or historical events and scandals This collection of essays therefore exemplifies and interrogates the various manifestations and implications of the palimpsest in French crime fiction
