*Window to the Soul* A personal journey John Alexander Dunn, 2014-10-03 All of us experience a life journey None of it is by chance The life journey is rich with experiences which

many of us keep within ourselves because we are reluctant to reveal them However I feel that we do have much to share and that in sharing we will realize how closely we are all bound together by unrealized ties Many of our experiences and certainly our feelings are the same and we are not alone We share a common soul and we all seek the same answers     **Things I Don't Understand (and Never Will) [Subtitled: I Don't Understand how Everyone's Written a Book But Me... I Want One Too]** Barry J. Wallace,2005-09-05 A comical look at everyday life as viewed by an Uncommon Find out if you too belong in the ranks of the Uncommons See why common sense is lost and considered missing Are you in line to collect the reward Humor is found in every topic from ghosts pets doctors neighbors and life in general You ll suddenly become aware that everyone seems to have written a book We you and I may have been the only people on planet earth without a book Now that I ve written this one you know where that leaves you     **Telling Stories** Jane Tormey,Gillian Whiteley,2020-07-24 Trespassing disciplines and binding together practice and theory Telling Stories Visual Practice Theories and Narrative crosses strange territories and occupies liminal spaces It addresses a contemporary preoccupation with narrative and narration which is being played out across the arts humanities and beyond and considers how visual and performative encounters contribute to thinking How might they tell theories Telling Stories results from a series of symposia held at Loughborough University School of Art and Design in 2007 The programme included papers screenings and performances and was based around the convenors shared interests in Peggy Phelan s notion of performative writing and in the examination of inter disciplinary forms of narrative and counter narrative It specifically focused on three aspects experimental forms of Theories and Criticism Objects and Narrative and the particular form of the Cinematic Essay and explored how the performative move could also be said to apply to forms of contemporary art practice to what photography film objects wish to say This resulting edited collection presents contemporary making and writing practices as multi faceted interdisciplinary and trans medial and is indicative of an attitude that sets out to encounter the world its social conditions its global perspectives and the nature of aesthetic discussion that is no longer confined by formalism     **Reconnecting to the Source** Ervin Laszlo,2020-03-24 Renowned authority on science and philosophy Dr Ervin Laszlo explores the implications of the new quantum sciences to move beyond the of limits of reality as we know it and find our way again in our in formed purposively evolving universe Reconnecting to the Source is a powerful new book on the science of spiritual experience by Dr Ervin Laszlo A well known figure in the fields of new science consciousness and spirituality Dr Laszlo has inspired some of today s most important figures in science and philosophy In Reconnecting to the Source he unpacks the science behind spiritual experience investigating the ways in which we can access realms of experience beyond the everyday It is in these moments when our conscious minds are in contact or perhaps even overridden by our unconscious selves that we can explore the depths of spiritual meaning In addition to a foreword by Deepak Chopra the book includes new never before published contributions from a long list of well known writers and public figures including Jane Goodall Barbara Marx Hubbard Zhi

Gang Sha and many more Each contributor has written about a unique spiritual experience of their own sharing moments in their lives that are outside of the boundaries of the usual and reflecting on the importance of these moments This revolutionary and powerful book will challenge you to reconsider the boundaries of our own experience and change how we look at the world around us It is a unique never before available resource for people who want to know how they can consciously align with the forces and attractors that governs the universe and brought us living conscious people on the scene in the great processes of evolution that unfold here on Earth      Witch Grass Raymond Queneau,2003-01-31 Seated in a Paris caf a man glimpses another man a shadowy figure hurrying for the train Who is he he wonders How does he live And instantly the shadow comes to life precipitating a series of comic run ins among a range of disreputable and heartwarming characters living on the sleazy outskirts of the city of lights Witch Grass previously titled The Bark Tree is a philosophical farce an epic comedy a mesmerizing book about the daily grind that is an enchantment itself      *Storytimes for Children* Stephanie G. Bauman,2010-11-10 This text presents a compilation of the best of ideas from a group of library science graduate students providing creative and engaging programs geared especially for children ages 0 12 What are the concepts activities and topics that will hold the attention of today s children And what are the best ways to provide a valuable learning experience while they re having fun and being entertained Many of the most original creative and wildly effective ideas in storytime are contained in Storytimes for Children a collection of fresh and vibrant programs created to be relevant interesting and fun for today s youngest generations This collection of themed storytimes includes suggestions for opening and closing sessions crafts and activities songs poems fingerplays and movements as well as the accompany literature Several of the included storytimes comprise a series of programs allowing for related activities that build upon each other The text is organized into six chapters each prefaced by an introduction that clarifies the strengths of the programs within Each chapter covers a highly targeted age range to give practitioners the ability to easily choose the most appropriate storytimes for any given audience      **It's Not the End of the World** Jonathan Parks-Ramage,2025-06-03 From the acclaimed author of Yes Daddy It s Not the End of the World is a terrifying climate thriller a vicious takedown of the uber wealthy and a queer family saga that isn t afraid to punch back It s 2044 and life is bleak for many Americans but not for Mason Daunt Safe in his Los Angeles mansion Mason can remain blissfully unaware of the relentless wildfires engulfing California the proliferation of violent right wing militias and the rampant authoritarianism destroying American society He s so rich in fact that he and his partner Yunho Kim are throwing a 100 person 100 000 baby shower to celebrate their newborn on the way When a potentially apocalyptic event hits Los Angeles on the day of their celebration though the wealthy gay couple refuses to cancel their party Surely it s not the end of the world But as Mason runs a few last minute errands a staggering twist thrusts him into the mounting chaos and threatens the lives of everyone he holds dear Shot through with biting wit brutal gore primal sex and unexpected catharsis It s Not the End of the World is a nerve shredding roller coaster of

a novel that will leave readers shocked heartbroken and inspired to question their most firmly held convictions What happens when our current battles with climate change capitalism and white supremacy are pushed to their breaking points And how can we find hope
