Bouton,1891 *Enchanted Hearts* Darragh Aldrich,1917 *The Routledge Handbook of Male Sex Work, Culture, and Society* John Geoffrey Scott,Christian Grov,Victor Minichiello,2021-03-21 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural

social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work **The Prime Time Closet** Stephen Tropiano, 2002-05-01 Applause Books

Midnight Cowboy Jon Towlson,2023-03-15 Midnight Cowboy the story of a small town stud s attempt to make it big as a hustler on the streets of 1960s New York is an indisputably iconic film Though recognized in terms of its early adoption of Nouvelle Vague cinematography and editing techniques and renowned for an Oscar win in spite of controversy over its X rating Midnight Cowboy has yet to be understood as a classic of queer cinema Jon Towlson reclaims Midnight Cowboy as a queer text by addressing John Schlesinger as a gay author and filmmaker and providing a fresh perspective on the film s relationship to the 1965 James Leo Herlihy novel from which it was adapted Offering a nuanced and personal view of the film s relevance to queer experience and queer friendship Towlson also considers Midnight Cowboy s production and reception and its place in Schlesinger s filmography Depictions of sixties New York counterculture and 42nd Street hustlers offer an opportunity for reassessment particularly in the film s relationship to male prostitution male relationships and sexual identity By shifting the perspective away from previous interpretations of Midnight Cowboy as homophobic and problematic Towlson argues for a new interpretation of the film as a proto queer buddy movie and a critical forerunner to films such as *My Own Private Idaho* and *Brokeback Mountain*
