steps of creating powerful and artful documentaries Interviews with filmmakers and case studies of innovative and successful recent documentary shorts are included throughout to provide experienced insights and complement the chapters on Research Pre production Production Editing and Distribution The first and most definitive of its kind this is the only resource to explore the short documentary as a distinct art form It will therefore be essential for all students and professionals involved in producing this medium The Internet Felix von Keudell,2013 Roger Ebert's Movie Yearbook 2012 Roger Ebert,2011-12-06 Ebert collects his reviews from the last 30 months Readers can expect to find every movie review he has written from January 2009 to July 2011 Also included are in depth interviews with newsmakers and celebrities such as John Waters and Justin Timberlake memorial tributes and essays on the Oscars and reports from the Cannes and Toronto Film Festivals *Producing and Directing the Short Film and Video* David K. Irving,Peter W. Rea,2012-11-12 Producing and Directing the Short Film and Video is the definitive book on the subject for beginning filmmakers and students The book clearly illustrates all of the steps involved in preproduction production postproduction and distribution Its unique two fold approach looks at filmmaking from the perspectives of both producer and director and explains how their separate energies must combine to create a successful short film or video from script to final product This guide offers extensive examples from award winning shorts and includes insightful quotes from the filmmakers themselves describing the problems they encountered and how they solved them The companion website contains useful forms and information on grants and financing sources distributors film and video festivals film schools internet sources for short works and professional associations America's Film Legacy Daniel Eagan,2009-11-26 America s Film Legacy is a guide to the most significant films ever made in the United States Unlike opinionated Top 100 and arbitrary Best of lists these are the real thing groundbreaking films that make up the backbone of American cinema Some are well known such as Citizen Kane The Jazz Singer All Quiet on the Western Front The Birth of a Nation and Boyz n the Hood Others are more obscure such as Blacksmith Scene The Blue Bird The Docks of New York Star Theatre and A Bronx Morning Daniel Eagan s beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them

Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken,2013-10-18 The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumi re brothers WorkersLeaving the Lumi re Factory 1885 to Michael Moore s Fahrenheit 911 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation **I Walked the Line** Vivian Cash,Ann Sharpsteen,2008-10-21 This elegant revealing and powerful memoir of Vivian Cash Johnny Cash s first wife of 12 years and the mother of his four daughters

features shocking new revelations untold stories and never before seen photos of the couple's life together 16 pages of b w photographs What More in/for Science Education Wolff-Michael Roth, 2013-06-13 What more is there in and for science education to do in terms of researching science lessons A lot the author suggests if research turns away from studying science education extracting social facts using special methods which journal articles require to state to studying the work and methods by means of which participants themselves create their structured world of science lessons This book presents with concrete materials from an inquiry oriented physics course a way of doing science education research that radically differs from existing approaches This book articulates this approach for a science education audience where this approach is by and large unknown and where the primary literature is often experienced as impenetrable and as requiring years of work to gain entry Consistent with this different approach those materials are used that constitute the way in which the reflexive production of social order is observed by the actors teachers students themselves *Film and Everyday Eco-Disasters* Robin L. Murray, Joseph K. Heumann, 2014-06-01 Eco disasters such as coal mining accidents oil spills and food borne diseases appear regularly in the news making them seem nearly commonplace These ecological crises highlight the continual tensions between human needs and the environmental impact these needs produce Contemporary documentaries and feature films explore environmental human conflicts by depicting the consequences of our overconsumption and dependence on nonrenewable energy Film and Everyday Eco disasters examines changing perspectives toward everyday eco disasters as reflected in the work of filmmakers from the silent era forward with an emphasis on recent films such as Dead Ahead an HBO dramatization of the Exxon Valdez disaster Total Recall a science fiction action film highlighting oxygen as a commodity The Devil Wears Prada a comment on the fashion industry and Food Inc a documentary interrogation of the food industry The authors evaluate not only the success of these films as rhetorical arguments but also their rhetorical strategies This interdisciplinary approach to film studies fuses cultural economic and literary critiques in articulating an approach to ecology that points to sustainable development as an alternative to resource exploitations and their associated everyday eco disasters

The Oxford Handbook of American Documentary Joshua Glick, Visiting Associate Professor of Film & Electronic Arts Joshua Glick, Patricia Aufderheide, University Professor in the School of Communication Patricia Aufderheide, 2025 Joshua Glick and Patricia Aufderheide Over the past twenty years documentaries have taken on an increasingly central place in American public life One measure of their importance is their commercial value Major media companies have moved aggressively to monetize documentary exploiting the form's relatively low budgets compared to fiction **International Documentary**, 1992-05 **The Documentary Film Reader** Jonathan Kahana, 2016 The Documentary Film Reader brings together an expansive range of writing by scholars critics historians and filmmakers to provide a stimulating foundational text for students and others who want to undertake study of nonfiction film Roger Ebert's Movie Yearbook 2011 Roger Ebert, 2010-09-14 Roger Ebert's criticism shows a nearly unequaled grasp of film history and technique and formidable
