 Kathy Dhanda,Steve Hollenhorst,2023-12-28 In the twenty first century sustainability has come to the forefront of the debate
 regarding the responsibilities of corporations and the roles they play in society Society holds them accountable so businesses
 need to develop and execute sustainability strategies that consider the social economic cultural and natural dimensions of the
 business environment Young Dhanda and Hollenhorst combine experience in business and environmental studies introducing
 students in both disciplines to the value of sustainability When sustainability is fully realized and implemented well by
 corporations it can help develop and retain creative dedicated employees that will drive a bottom line strategy to save costs
