Myers, 2022 Introducing the Gospels and Acts is not just about reading the first five books of the New Testament It requires entering the first century Mediterranean world where the events in these writings happened In this short book Alicia D Myers takes readers on a journey through the Gospels and Acts introducing them to the world of Jesus of Nazareth and of the believers who composed and shared stories inspired by him Myers provides overviews of context and major passages in each canonical

work and also introduces readers to the Apocryphal Gospels and Acts to demonstrate the larger phenomenon of early Christian writing. After situating readers in the literary context of the Gospels and Acts, Myers focuses on the writings themselves, giving basic historical background before digging more deeply into a chosen contextual theme for each work. These six themes include the politics and history of Roman Palestine, expressions of Second Temple Judaism, understandings of identity and human worth in the Roman world, hospitality, Hellenistic philosophies, and the process of canonizing the New Testament. Rather than shying away from difficult and often confusing elements of the Gospels and Acts, Myers invites readers to engage more deeply and situate themselves more fully in the strangeness and surprising familiarity of the Roman world. In this way, readers will see the continuing relevance of the Gospels and Acts for today and learn to be responsible readers of these works for years to come.

Psalms of Christ Daniel H. Fletcher, 2018-05-10 The book of Psalms is a treasure trove of teaching about Jesus Christ. While the church has traditionally recognized only about fifteen psalms as messianic, anticipating God's promised Messiah, the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter. **Psalms of Christ** applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select non-messianic psalms. Following the New Testament as the guide for how to read the Old in light of the gospel, **Psalms of Christ** proposes fresh readings of so-called non-messianic psalms by illustrating their christological character and exploring how they testify to the gospel by evoking Jesus's person, purpose, and passion.

Introducing Old Testament Theology W. H. Jr. Bellinger, 2022-05-17 A senior scholar and teacher with four decades of classroom experience offers a concise, student-level theology of the entire Old Testament. W. H. Bellinger Jr. uses ancient Israel's confession of faith, the Psalms, to introduce the sweep of Old Testament theology: creation, covenant, and prophecy. He shows how these three theological dimensions each entail a portrayal of God and invite a human response to God. Bellinger also discusses how to appropriate Old Testament theology for contemporary life.

The Abingdon Introduction to the Bible Joel S. Kaminsky, Joel N. Lohr, Mark Reasoner, 2014 The Bible's enduring truths, lasting influence, complex relationships, and relevant approaches for living.

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict? Throughout the church's history, Christians have been tempted to make revelation and reason mutually exclusive. But both are essential to a true understanding of the faith. The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason. In **Revelation and Reason in Christian Theology**, Christopher C. Green and David I. Starling draw together the fruit of this conference to provoke sustained, deep reflection on this relationship. The essays, filtered through epistemological, biblical, historical, and dogmatic lenses, critically and constructively contribute to this important and developing aspect of theology. Each essayist approaches revelation and reason according to the psalmist's words: "In your light we see light" (Ps 36:9). The light of faith does not obscure truth; rather, it enables us to see truth.

Martin Luther on Reading the Bible as Christian Scripture William M.

Marsh,2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther s approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer s interpreters have looked back upon Luther s Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther s approach of the Old Testament dismissing his relevance for today s faithful readers of God s Word This study revisits this assessment of Luther s christological interpretation of Scripture by way of critical analysis of the Reformer s prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the sensus literalis of Scripture on the basis of the Bible s messianic promise not enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther s exegesis of the Bible s letter i e his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture s literal sense *The Psalms (Volume 1, Introduction: Christ and the Psalms)* Christopher Ash,2024-06-24 Stand Alone Commentary Set from Christopher Ash Sets Out a Deeply Christian Study of the Psalms While reading Psalms it is common for commentaries to focus on Old Testament meaning without connecting it deeply to Christ s fulfillment in the New Testament By studying Scripture this way believers miss out on the fullness of God s word The key to experiencing authentically Christian worship is learning a Christ focused approach to praying and singing the Psalms In this in depth 4 volume commentary Christopher Ash provides a thorough treatment of all 150 Psalms examining each psalm s significance to David and the other psalmists to Jesus during his earthly ministry and to the church of Christ in every age The first volume in the set is a detailed handbook that explains how to interpret the Psalms with Christ at the center The remaining 3 volumes cover each psalm in depth with introductory quotations a deep analysis of the text s structure and vocabulary and a closing reflection and response Ash also includes selected quotations from older readings of the Psalms including patristic medieval Reformation and post Reformation scholars Perfect for pastors Bible teachers and students this commentary set helps readers sing and pray the Psalms with Christ in view Stand Alone Commentary Ash s research also builds on other commentaries for a comprehensive thorough resource on the Psalms Exhaustive Christopher Ash s exegesis includes all 150 Psalms and their superscriptions and explores how the Psalms are quoted and echoed throughout the New Testament Applicable and Heartfelt Explains how a Christ centered approach to reading the Psalms influences doctrines of prayer prophecy the Trinity ecclesiology and more Ideal for Pastors and Serious Students of Scripture Written for Bible teachers Sunday school and youth leaders and small group leaders **Engaging the Word** Michael Johnston,1998-01-28 The companion to Volume 2 of The New Church s Teaching Series Roger Ferlo s Opening the Bible Michael Johnston s Engaging the Word teaches us how to use the critical and practical tools for reading the Bible described by Ferlo to interpret the Hebrew and Christian scriptures what did they mean for their original audience and what do they mean for us today

Johnston introduces us to the key terms and concepts of biblical criticism that show us how to read Scripture on three key levels the literal historical and prophetic He explores with us passages that touch on questions of ethics the nature of God the teachings of Jesus and eschatology and offers vivid insights into the physical setting and geography of the Bible Above all the purpose of *Engaging the Word* is to help us become people who can read and interpret the Bible intelligently and perceptively It offers the fundamental questions that we must ask of any biblical text in order to enter fully into its meaning for us and for our worshiping community Who wrote the passage When was it written What does it actually say For what community or group was it written What was its message for that community What is its message for us today *Engaging the New Testament* Miguel G. Echevarría, 2024-04-16 Many introductions to the New Testament focus on historical critical issues with only cursory discussions of the text In *Engaging the New Testament* Miguel Echevarría overviews the New Testament writings in their canonical order showing how each book has a purposeful function within the larger context of Scripture He provides streamlined and accessible background discussions related to the New Testament writings to enable students to focus on interpretive issues The book is informed by the latest scholarship yet accessible to those with no prior theological education This concise introduction to the New Testament is well suited to one semester survey courses It addresses the needs and questions of students in multicultural classrooms who are studying for ministry Sidebars encourage readers to think about applying the Bible to various ministry contexts such as the pastorate missions and counseling

Understanding the Hebrew Bible John Barton,2025-02-01 This is the latest in a series of volumes published about every twenty five years since 1924 surveying the current state of the academic study of the Old Testament more often called the Hebrew Bible in scholarly contexts It is written by leading members of the Society for Old Testament Study the professional organization for scholars in that field in the UK and Ireland but with international members too some of whom have contributed to the volume It provides academics students of the Bible clergy and rabbis and intelligent general readers with a snapshot of the main approaches and issues in the study of the Hebrew Bible since approximately the year 2000 There are chapters on specific biblical books in their ancient context grouped mainly by genre but also on methodological aspects of biblical studies today including interdisciplinary perspectives and contemporary questions such as the Bible in sociological theological historical archaeological literary and linguistic perspectives and the influence of concerns about gender race visual culture and psychology A particular recent interest is represented by a chapter on the reception history of the Hebrew Bible in the visual arts music and literature including drama and film The concern throughout is to encapsulate contemporary currents in interpretation rather than to put forward the contributors personal views but also to suggest how biblical study may or should develop next in these areas As with previous volumes what is provided is a view of global scholarship as seen from these islands that will be useful to serious students of the Hebrew Bible throughout the world As well as describing their field the contributors also provide substantial bibliographies pointing readers to other modern discussions

Ancient Jewish and Christian Scriptures John J. Collins,Craig A. Evans, Lee Martin McDonald,2020-08-25 Ancient Jewish and Christian Scriptures examines the writings included in and excluded from the Jewish and Christian canons of Scripture and explores the social settings in which some of this literature was viewed as authoritative and some was viewed either as uninspired or as heretical John J Collins Craig A Evans and Lee Martin McDonald examine how those noncanonical writings demonstrate the historical literary and religious aspects of the culture that gave rise to the writings They also show how literature excluded from the Jewish and Christian canons of Scripture remains valuable today for understanding the questions and conflicts that early Jewish and Christian faith communities faced Through this discussion contemporary readers acquire a broader understanding of biblical Scripture and of Jewish and Christian faith inspired by Scripture

God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the

inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it is so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

From Canonical Criticism to Ecumenical Exegesis? Peter-Ben Smit, 2015-07-14 This study explores and compares the role of the canon in the work of Brevard S Childs James A Sanders Peter Stuhlmacher Joseph Ratzinger Benedict XVI and the Amsterdam School of exegesis thus offering a broad overview of approaches and perspectives within the spectrum covered by canonical criticism In doing so both the theory of canonical criticism offered by each of the five is analysed and a sample of an actual exegesis is discussed Observing that the interplay between text reader and community of interpretation is key to all of these approaches the study proceeds to create a dialogue between canonical criticism and ecumenical hermeneutics which leads to a proposal for an approach to exegesis that integrates elements of canonical hermeneutics ecumenical hermeneutics and intercultural perspectives

questions for review and discussion annotated suggestions for further reading **The Usefulness of Scripture** Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978. Now forty years later and in celebration of his seventieth birthday, colleagues and former students have gathered to produce this volume in honor of their friend and teacher. The results are sure to delight all of those who have studied under or been friends of Professor Wall. The essays are grouped under two general themes: theology and methodology, with an emphasis on Wesleyan biblical hermeneutics, canonical perspectives, and the implications of these approaches for church life and work and biblical texts, themes especially with a view to the relationship of the study of Scripture to the life of the Christian. In both of these areas, the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart. The contributors to this volume include Frank Anthony Spina, Andrew Knapp, Shannon Nicole Smythe, Daniel Castelo, Anthony B. Robinson, Eugene E. Lemcio, Sara M. Koenig, Jack Levison, Laura C. S. Holmes, John Painter, and Stephen E. Fowl.
